About Us

Established in 1934, Everest Industries Limited is one of India's most respected building solutions companies, with a legacy of innovation, trust, and nationwide impact. With operations spanning roofing, boards & panels, steel buildings, and construction solutions, Everest serves diverse customer segments—from rural households to large-scale infrastructure and industrial projects.

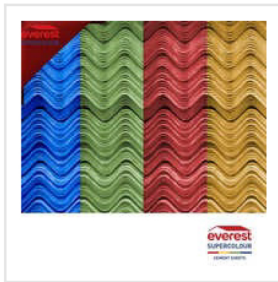

With 8 state-of-the-art manufacturing plants, an extensive distribution network, and a presence in over 1,00,000+ villages and 600+ cities, Everest is committed to delivering products that combine strength, sustainability, and design. Our solutions are engineered to improve the way people build and live—offering durability, ease of use, and value for generations.

At Everest, our commitment goes beyond manufacturing roofing sheets. Guided by the values of Respect, Excellence, and Integrity, we aim to REImagine the way people build, live, and work. Our approach focuses on blending performance, sustainability, and purposeful design to meet the evolving needs of industrial clients, infrastructure developers, and the architectural community.
