About Us

The foundation of our company, Mahavir Engineering Works is based on our commitment and capability of adapting to the requirements of ever-changing residential and commercial kitchens. In the view of our philosophy of designing, manufacturing, quality-testing and supplying Stainless Steel Chapati Plate, Glass Display Counter, Chinese Gas Range, Pizza Oven, Table Top Shawarma Machine, Tea And Coffee Machine, Water Cooler, etc., we have been succeeding as a manufacturer and supplier in the engineering domain. Our aim is to accept all challenges and push our limitations to emerge as a business that combines advanced technology and great skills of our employees. With this, we ensure timely order completion and delivery of the ordered products. Besides, we have a spacious warehousing facility to store the manufactured goods until the time of shipment.

The strategic goals of our Mumbai, Maharashtra, India based company, Mahavir Engineering Works, have always been at the forefront of the growth and success of our clients and company together. Our workforce comprises result-oriented people who embrace all the core values of our company in their daily work. The quality analysts working at our quality-testing laboratory understand their job very well, which is why, our Pizza Oven, Table Top Shawarma Machine, Water Cooler and other products for kitchen stand next to none in terms of quality. Besides, we, at our company, focus on attaining complete customer satisfaction by offering round the clock services to our customers.
