R.M. MEDICAL

Live Life Healthy

About Us

Hospital Furniture

Surgical Equipment

R.M. Medical is a leading manufacturer of hospital furniture and equipment. We manufacture a wide range of hospital furniture that enhance patient care delivery and create a comfortable healing environment yet meet demanding clinical standards. Available in a variety of design motifs, custom finishes and selection of high performance material, our hospital room and treatment area furniture maximizes functionality without sacrificing comfort and aesthetics.

Our manufacturing facility is strategically located in New Delhi, with supplies spanning all over India.

Our products are manufactured keeping in mind the specific needs and wants of the customers. Furthermore, our team of quality controllers test the products on the set industry norms and quality parameters. The products are known in the market for their robust construction, precise design, high-grade material of construction, accurate dimensions and high performance.

At R.M. Medical, our endeavor is to earn the trust of our customers. Our dedicated team of professionals have a proven track record in delivering high quality surgical equipment manufactured at the most stringent international standards.

Motorized I.C.U. Beds

Electric I.C.U. Bed 5-Function Prime

Product Code – FC-11001

- Back rest, Knee rest, Trendelenburg / Reverse Trendelenburg, High – Low and one touch zero level (CPR) position maneuverable by 4 separate linear actuators controlled by 1 Handset
- Mattress area divided into 4 sections made up of CRCA Sheet
- Detachable high-quality ABS moulded head and foot bows
- Four-sectional ABS polymer safety side rails with angle indicators
- Provided with heavy duty saline stand with provision for fixing it at all four locations at the corners of the bed
- Noiseless twin casters of 125 mm dia. with diagonal locking (2 wheels with brakes)
- The complete metal components are pre-treated and epoxy powder coated
- Overall Approx Size: 210L x 95W x 50-80H cm
- Optional: Nurse Control Panel, Embedded controls in Side Railings and Head-foot panels, Manual CPR, Central Locking Casters, Fiber Base Cover, Four-section Polypropylene top

Electric I.C.U. Bed 5-Function Super Deluxe

Product Code – FC-11002

- Back rest, Knee rest, Trendelenburg / Reverse Trendelenburg, High – Low and one touch zero level (CPR) position maneuverable by 4 separate linear actuators controlled by 1 Handset
- Mattress area divided into 4 sections made up of CRCA Sheet
- Detachable high-quality ABS moulded head and foot bows
- Collapsible Aluminium / Nylon side railing with vertical S.S rods
- Provided with heavy duty saline stand with provision for fixing it at all four locations at the corners of the bed
- Noiseless twin casters of 125 mm dia. with diagonal locking (2 wheels with brakes)
- The complete metal components are pre-treated and epoxy powder coated
- Overall Approx Size: 210L x 95W x 50-80H cm
- Optional: Nurse Control Panel, Manual CPR, Central Locking Casters, Fiber Base Cover, Four-section Polypropylene top

Mechanical I.C.U. Beds

I.C.U. Bed 5-Function Prime

Product Code – FC-4001

- Mechanically operated by smooth crank system
- Height adjustment (Hi-low), Back rest elevation, Knee rest elevation, Trendelenburg/Reverse Trendelenburg positions obtained by separate foldable handles from foot end
- Epoxy coated rectangular CRCA frame
- Four sectional Uniformly Perforated CRCA Sheet Top
- Superior-quality ABS plastic head panel and foot panel
- Four-piece ABS moulded individual side railing
- Four locations on bed frame for telescopic IV pole
- Mounted on 125mm dia. fully-covered noiseless casters (two with brakes)
- Pre-treated and Epoxy Powder Coated
- Optional Accessories: Telescopic I.V. rod, 4-section mattress
- Also available with Blue colour ABS Panels
- Overall Approx Size: 210L x 90W x 50-80H cm

I.C.U. Bed 5-Function Super Deluxe

Product Code – FC-4002

- Mechanically operated by smooth crank system
- Height adjustment (Hi-low), Back rest elevation, Knee rest elevation, Trendelenburg/Reverse Trendelenburg positions obtained by separate foldable handles from foot end
- Epoxy coated rectangular CRCA frame
- Four sectional Uniformly Perforated CRCA Sheet Top
- Superior-quality ABS plastic head panel and foot panel
- Collapsible Aluminium / Nylon side railing with vertical S.S rods
- Four locations on bed frame for telescopic IV pole
- Mounted on 125mm dia. fully-covered noiseless casters (two with brakes)
- Pre-treated and Epoxy Powder Coated
- Optional Accessories: Telescopic I.V. rod, 4-section mattress
- Also available with Brown colour ABS Panels
- Overall Approx Size: 210L x 90W x 50-80H cm

I.C.U. Bed 5-Function Deluxe

Product Code – FC-4003

- Mechanically operated by smooth crank system
- Height adjustment (Hi-low), Back rest elevation, Knee rest elevation, Trendelenburg/Reverse Trendelenburg positions obtained by separate foldable handles from foot end
- Epoxy coated rectangular CRCA frame
- Four sectional Uniformly Perforated CRCA Sheet Top
- S.S. Head and Foot bows fitted with Laminated Panels
- Drop-type M.S. / S.S. side railing
- Four locations on bed frame for telescopic IV pole
- Mounted on 125mm dia. noiseless casters (two with brakes)
- Pre-treated and Epoxy Powder Coated
- Optional Accessories: Telescopic I.V. rod, 4-section mattress
- Also available with Blue / Cream colour Laminated Panels
- Overall Approx Size: 210L x 90W x 50-80H cm

I.C.U. Bed 3-Function Super Deluxe

Product Code – FC-4004

- Mechanically operated by smooth crank system
- Height Adjustment (Hi-Low), Back rest elevation, Knee rest elevation obtained by separate foldable handles from foot end
- Epoxy coated rectangular CRCA frame
- Four sectional Uniformly Perforated CRCA Sheet Top
- Superior-quality ABS plastic head panel and foot panel
- Collapsible Aluminium / Nylon side railing with vertical S.S rods
- Four locations on bed frame for telescopic IV pole
- Mounted on 125mm dia. noiseless casters (two with brakes)
- Pre-treated and Epoxy Powder Coated
- Optional Accessories: Telescopic I.V. rod, 4-section mattress
- Also available with Laminated panels and M.S. side railing
- Overall Approx Size: 210L x 90W x 50-80H cm

Ward-Care Fowler Beds

Fowler Bed Prime

Product Code – FC-1001

- Mechanically operated by smooth crank system
- Back rest elevation and Knee rest elevation positions obtained by separate foldable handles from foot end
- Epoxy coated rectangular CRCA frame
- Four sectional Uniformly Perforated CRCA Sheet Top
- Superior-quality ABS plastic head panel and foot panel
- Four-piece ABS moulded individual side railing
- Four locations on bed frame for telescopic IV pole
- Mounted on 125mm dia. fully-covered noiseless casters (two with brakes)
- Pre-treated and Epoxy Powder Coated
- Optional Accessories: Telescopic I.V. rod, 4-section mattress
- Also available with Blue colour ABS Panels
- Overall Approx Size: 210L x 90W x 60H cm

Fowler Bed Super Deluxe

Product Code – FC-1002

- Mechanically operated by smooth crank system
- Back rest elevation and Knee rest elevation positions obtained by separate foldable handles from foot end
- Epoxy coated rectangular CRCA frame
- Four sectional Uniformly Perforated CRCA Sheet Top
- Superior-quality ABS plastic head panel and foot panel
- Collapsible Aluminium / Nylon side railing with vertical S.S rods
- Four locations on bed frame for telescopic IV pole
- Mounted on 125mm dia. fully-covered noiseless casters (two with brakes)
- Pre-treated and Epoxy Powder Coated
- Optional Accessories: Telescopic I.V. rod, 4-section mattress
- Also available with Brown colour ABS Panels
- Overall Approx Size: 210L x 90W x 60H cm

Fowler Bed Deluxe

Product Code – FC-1003

- Mechanically operated by smooth crank system
- Back rest elevation and Knee rest elevation positions obtained by separate foldable handles from foot end
- Epoxy coated rectangular CRCA frame
- Four sectional Uniformly Perforated CRCA Sheet Top
- S.S. Head and Foot bows fitted with Laminated Panels
- Four locations on bed frame for telescopic IV pole
- Mounted on 100mm dia. noiseless casters (two with brakes)
- Pre-treated and Epoxy Powder Coated
- Optional: Drop-type M.S. / S.S. side railing
- Optional Accessories: Telescopic I.V. rod, 4-section mattress
- Also available with Blue / Wooden colour Laminated Panels
- Overall Approx Size: 200L x 90W x 60H cm

Fowler Bed Standard

Product Code – FC-1004

- Mechanically operated by smooth crank system
- Back rest elevation and Knee rest elevation positions obtained by separate foldable handles from foot end
- Epoxy coated rectangular CRCA frame
- Four sectional Uniformly Perforated CRCA Sheet Top
- Unequal size M.S. Head and foot bows
- Four locations on bed frame for telescopic IV pole
- Mounted on 100mm dia. noiseless casters (two with brakes)
- Pre-treated and Epoxy Powder Coated
- Optional: Drop-type M.S. / S.S. side railing
- Optional Accessories: Telescopic I.V. rod, 4-section mattress
- Overall Approx Size: 200L x 90W x 60H cm

Ward-Care Semi Fowler Beds

Semi Fowler Bed Prime

Product Code – FC-1005

- Mechanically operated by smooth crank system
- Adjustable back rest, operated smoothly by foldable screw handle from foot end
- Epoxy coated rectangular CRCA frame
- Two-sectional Uniformly Perforated CRCA Sheet Top
- Superior-quality ABS plastic head panel and foot panel
- Collapsible Aluminium / Nylon side railing with vertical S.S rods
- Four locations on bed frame for telescopic IV pole
- Mounted on 125mm dia. fully-covered noiseless casters (two with brakes)
- Pre-treated and Epoxy Powder Coated
- Optional Accessories: Telescopic I.V. rod, 2-section mattress
- Also available with Brown colour ABS Panels
- Overall Approx Size: 190L x 90W x 60H cm

Semi Fowler Bed Super Deluxe

Product Code – FC-1006

- Mechanically operated by smooth crank system
- Adjustable back rest, operated smoothly by screw handle from foot end
- Epoxy coated rectangular CRCA frame
- Two-sectional Uniformly Perforated CRCA Sheet Top
- Superior-quality ABS plastic head panel and foot panel
- Four locations on bed frame for telescopic IV pole
- Mounted on protective PVC stumps
- Pre-treated and Epoxy Powder Coated
- Optional: Drop-type M.S. / S.S. side railing
- Optional Accessories: Telescopic I.V. rod, 2-section mattress
- Also available with Brown colour ABS Panels
- Overall Approx Size: 190L x 90W x 60H cm

Semi Fowler Bed Deluxe

Product Code – FC-1007

- Mechanically operated by smooth crank system
- Adjustable back rest, operated smoothly by screw handle from foot end
- Epoxy coated rectangular CRCA frame
- Two-sectional Uniformly Perforated CRCA Sheet Top
- S.S. head and foot bows fitted with wooden laminated panels
- Two locations on bed frame for telescopic IV pole
- Mounted on protective PVC stumps
- Pre-treated and Epoxy Powder Coated
- Optional: Drop-type M.S. / S.S. side railing
- Optional Accessories: Telescopic I.V. rod, 2-section mattress
- Also available with Blue / Wooden colour laminated panels
- Overall Approx Size: 190L x 90W x 60H cm

Semi Fowler Bed Standard

Product Code – FC-1008

- Mechanically operated by smooth crank system
- Adjustable back rest, operated smoothly by screw handle from foot end
- Epoxy coated rectangular CRCA frame
- Two-sectional Uniformly Perforated CRCA Sheet Top
- Unequal size M.S. head and foot bows
- Two locations on bed frame for telescopic IV pole
- Mounted on protective PVC stumps
- Pre-treated and Epoxy Powder Coated
- Optional: Drop-type M.S. / S.S. side railing
- Optional Accessories: Telescopic I.V. rod, 2-section mattress
- Also available with Blue / Wooden colour laminated panels
- Overall Approx Size: 190L x 90W x 60H cm

Ward-Care Beds

Plain Ward Bed Prime

Product Code – FC-1009

- Epoxy coated mild steel / CRCA frame
- Uniformly perforated CRCA top
- H-type legs for greater stability of the bed
- Superior-quality ABS plastic head panel and foot panel
- Two locations on bed frame for telescopic IV pole
- Mounted on protective PVC stumps
- Pre-treated and Epoxy Powder Coated
- Optional Accessories: Telescopic I.V. rod, mattress
- Also available with Blue ABS Panels
- Overall Approx Size: 190L x 90W x 60H cm

Plain Ward Bed Deluxe

Product Code – FC-1010

- Epoxy coated mild steel / CRCA frame
- Uniformly perforated CRCA top
- H-type legs for greater stability of the bed
- S.S. Bows on head and foot side fitted with wooden laminated panels
- Two locations on bed frame for telescopic IV pole
- Mounted on protective PVC stumps
- Pre-treated and Epoxy Powder Coated
- Optional Accessories: Telescopic I.V. rod, mattress
- Also available with Blue panels
- Overall Approx Size: 190L x 90W x 60H cm

Plain Ward Bed Standard

Product Code – FC-1011

- Epoxy coated mild steel / CRCA frame
- Uniformly perforated CRCA top
- U-type legs for greater stability of the bed
- Unequal size M.S. bows on head and foot side with vertical supports
- Two locations on bed frame for telescopic IV pole
- Mounted on protective PVC stumps
- Pre-treated and Epoxy Powder Coated
- Optional Accessories: Telescopic I.V. rod, mattress
- Also available with Blue panels
- Overall Approx Size: 180L x 90W x 60H cm

Pediatric Bed

Product Code – FC-1012

- Strong and precise rectangular CRCA pipe frame work mounted on PVC stumps
- Uniformly perforated CRC Sheet duly machine press bent
- Four locations in the bed for I.V. rod
- Tubular head & leg bows of equal height with vertical tube supports
- Drop-down Safety side railings on both sides
- Pre-treated and Epoxy Powder Coated
- Overall Approx Size: 145L x 65W x 60H cm

Attendant Bed

Product Code – FC-1013

- Frame work made of rectangular CRCA / mild steel tubes
- Mounted on protective PVC stumps
- H-type legs for greater stability of the bed
- Fixed upholstered wooden board top attached to the main frame of bed
- Pre-treated and Epoxy Powder Coated
- 5 Cm Foam Padded top covered with rexine
- Overall Approx Size: 180L x 60W x 45H cm

Attendant Bed cum Chair

Product Code – FC-1014

- Framework made of CRCA tubular pipes
- Pull-out design to easily transform recliner into bed
- Two armrest pivoted with backrest on each side
- Legs fitted with protective PVC stumps
- Artificial leather fabric upholstery
- Pre-treated and epoxy powder coated
- Overall Approx Size: 190L x 62W x 58H cm

Ward-Care Furniture

Emergency Recovery Trolley Hydraulic

Product Code – FC-2001

- Height adjustable by foot-operated hydraulic pump from 65-95 cm
- Two-section removable X-ray translucent top
- Backrest raised on ratchet
- Trendelenburg/Reverse Trendelenburg positions assisted by gas spring
- Four heavy duty swivel casters of 125 mm dia. two with brakes
- Pre-treated and epoxy powder coated
- Provided with Safety side railings, IV rod, Oxygen cylinder cage and storage tray for holding x-ray cassettes
- Overall Approx Size: 210L x 65W x 65-95H cm (Height Adjustable)

Emergency Recovery Trolley

Product Code – FC-2002

- Height adjustable by crank mechanism with foldable handle at foot end
- Two-section removable X-ray translucent top
- Backrest raised on ratchet
- Trendelenburg/Reverse Trendelenburg positions by crank mechanism
- Four heavy duty swivel casters of 125 mm dia. two with brakes
- Pre-treated and epoxy powder coated
- Provided with Safety side railings, IV rod, Oxygen cylinder cage and storage tray for holding x-ray cassettes
- Overall Approx Size: 210L x 65W x 65-95H cm (Height Adjustable)

Stretcher Trolley Deluxe

Product Code – FC-2003

- CRCA / mild steel tubing frame work of trolley
- Mounted on 150 mm dia. swivel casters with two brakes
- Removable M.S. Stretcher top with S.S. handle
- Swing-away type safety side railing
- Pre-treated and epoxy powder coated
- Also available in all S.S. frame work / S.S. Top
- Utility Tray in the frame of trolley
- Provided with S.S. IV rod and Cylinder cage
- Overall Approx Size: 213L x 56W x 81H cm

Stretcher Trolley

Product Code – FC-2004

- CRC / mild steel tubing frame work of trolley
- Mounted on 150 mm dia. swivel castors with two brakes
- Removable Stretcher top with S.S. handle
- Pre-treated and epoxy powder coated
- Also available in all S.S. frame work / S.S. Top
- Optional - IV rod, Cylinder cage, mattress
- Overall Approx Size: 213L x 56W x 81H cm

Examination Couch

Product Code – FC-2005

- Completely made of heavy CRCA / mild steel sheet
- Adjustable backrest by gas spring system
- Two-section foam padded, upholstered top
- Three drawers and three cabinets
- Tray for B.P. apparatus
- Pre-treated and epoxy powder coated
- Provided with single footstep stool
- Overall Approx Size: 187L x 51W x 81H cm

Gynae Examination Couch

Product Code – FC-2006

- Completely made of heavy CRCA / mild steel sheet
- Single-section upholstered top with U-cut
- Pair of lithotomy rods with adjustable straps
- Three drawers and three cabinets
- Tray for B.P. apparatus
- Pre-treated and epoxy powder coated
- Provided with single footstep stool
- Overall Approx Size: 187L x 51W x 81H cm

OPD Furniture

Examination Table - Two Section

Product Code – FC-5001

- Frame work of rectangular CRCA / mild steel tubes
- Backrest adjustable on ratchet mechanism
- Mounted on protective PVC stumps
- Two-section cushioned top with 75mm Foam Mattress with rexine cover
- Pre-treated and epoxy powder coated
- Also available in M.S. / S.S. top option
- Overall Approx Size: 180L x 60W x 60H cm

Gynae Examination Table

Product Code – FC-5002

- Frame work made of Rectangular CRC tubes
- Backrest adjustable on ratchet mechanism
- Legs fitted with PVC Stumps
- Provided with a pair of lithotomic poles with adjustable straps
- 5 cm foam cushioned top covered with rexine with perineal cut
- Pre-treated and epoxy powder coated
- Overall Approx Size: 180L x 60W x 60H cm

Examination Table Plain

Product Code – FC-5003

- Frame work of rectangular CRCA / mild steel tubes
- Mounted on protective PVC stumps
- Powder coated CRCA sheet top
- Pre-treated and epoxy powder coated
- Also available in SS framework / SS Top
- Optional: Cushioned with 75mm Foam Mattress with rexine cover
- Overall Approx Size: 180L x 60W x 60H cm

Bedside Screen 4-Fold

Product Code – FC-5004

- Frame work made of Epoxy Coated CRC / Mild Steel tubular pipes
- Four panels each span 60cm wide
- Mounted on 50mm casters for smooth movement
- Supplied with hooks and spring wire for hanging curtains
- Optional – Set of 4 curtains
- Overall Approx Size: 168H x 244W cm

Bedside Screen 3-Fold

Product Code – FC-5005

- Frame work made of Epoxy Coated CRC / Mild Steel tubular pipes
- Three panels: Middle panel 120cm wide and side panels 60cm each
- Mounted on 50mm swivel casters
- Supplied with hooks and spring wire for hanging curtains
- Optional – Set of 3 curtains
- Overall Approx Size: 168H x 244W cm

Footstep Double

Product Code – FC-5006

- Tubular CRCA / mild steel framework
- Two equal size footsteps top made of CRC Sheet, duly double press bent
- Steps fixed with rubber mat surrounded by Aluminium angle frame
- Mounted on PVC shoes
- Also available in complete Stainless steel framework and S.S. Top
- Overall Approx Size: 50L x 30W x 45H cm

Footstep Single

Product Code – FC-5007

- Tubular CRCA / mild steel framework
- CRC Sheet top, duly double press bent
- Step fixed with rubber mat surrounded by Aluminium angle frame
- Mounted on PVC shoes
- Also available in complete Stainless steel framework and S.S. Top
- Overall Approx Size: 50L x 30W x 22H cm

Revolving Stool

Product Code – FC-5008

- Three / Four Epoxy coated CRCA tubular legs fitted with PVC Stumps
- Mild Steel Foot Ring support
- Stainless Steel top of dia. 30cm
- Adjustable height through screw system from 18" to 27"
- Also available in full SS framework
- Optional – Cushioned top

Visitor Stool

Product Code – FC-5009

- CRC / M.S. tubular frame mounted on protective PVC stumps
- CRC sheet duly double press bent
- Pre-treated and epoxy powder coated
- Also available in full SS framework and Stainless Steel top
- Overall Approx Size: 30L x 30W x 50H cm

OT Furniture and Equipment

Operation Table - Hydraulic

Product Code – FC-9001

- Five sections S.S. top with large perineal cutout for drainage tray, built in kidney bridge
- Height adjustable through a Single Action Hydraulic pump Controlled by a Foot pedal
- Fully S. S. covered base mounted on Heavy duty Castors with auto floor locking system
- Detachable leg section for easy lithotomic positioning
- All the operating positions including Proctology, Lithotomy, Trendelenburg and Reverse Trendelenburg, Lateral tilt, Flex/Reflex and Chair Position, etc. can be obtained from either side of the table by working of different handles
- Radio-translucent top provides easy convenience for x-ray procedures
- The table is finished with extra head, permanent finish oven baked paint and all the accessories are of Stainless Steel
- Standard Accessories: Anesthetic frame, Padded side supports, Intravenous arm board, Padded shoulder supports, Lithotomic leg holder with straps
- Optional Accessories: Water proof rubber mattress, Radio-graphic top, Orthopedic attachments, Neurosurgical Attachment (Mayfield, Sugita, Horse shoe), Spine Frame attachment, Hand surgery attachment

Mayo Instrument Trolley

Product Code – FC-9004

- Rectangular CRC tubes mounted on 50 mm dia. Castors
- Height adjustable by Knob
- S.S. tray of approx. size 600mm x 400mm
- Pre-treated and Epoxy Powder Coated
- Also available in S.S. framework

Obstetric Labour Table

Product Code – FC-9002

- CRCA frame work mounted on PVC stumps
- Stainless Steel top in three sections
- Trendelenburg positions adjustable on screw mechanism by handle
- Backrest section is adjustable on ratchet system
- Complete with self locking traction handle at side, I.V. Rod & mattress, pair of height-adjustable lithotomy rods (with straps)

Telescopic Labour Table

Product Code – FC-9003

- Tubular CRCA / M.S. powder coated framework mounted on PVC stumps
- Three section heavy S.S. top
- Backrest section adjustable on ratchet
- Leg-end section can slide under the middle section of the table
- Trendelenburg position obtained by gas spring mechanism from back end
- S.S. safety railing provided on 3 sides
- Provided with pair of height adjustable foam padded knee crutches
- Supplied with waste collecting S.S. basin
- Overall Approx Size: 180L x 68W x 75 H cm

Mayo Instrument Trolley

Product Code – FC-9005

- CRCA tubular framework mounted on 50 mm dia. casters
- Height adjustable by gear handles from both sides
- S.S. tray of approx. size 900mm x 500mm
- Pre-treated and Epoxy Powder Coated
- Also available in S.S. framework

Monitor Trolley

Product Code – FC-9006

- Four CRCA / mild steel shelves with stainless steel railing
- One drawer at bottom with lock and key
- Provided with Oxygen Cylinder Cage, IV rod
- Switch & socket panel for medical equipment
- Trolley mounted on 100 mm dia. Swivel casters, two with brakes
- Pre-treated and Epoxy Powder Coated
- Also available in All S.S. framework

Crash Cart

Product Code – FC-9007

- Epoxy coated mild steel tubular frame work mounted on four 100 mm dia. swivel casters, two with brakes
- Total three S.S. shelves with railing
- Six colored removable bins at eye-level
- Two polystyrene lockable storage units with three drawers each
- Complete with corner buffers, oxygen cylinder holder, S.S IV rod, S.S. shelves, cardiac massage board
- Also available in All S.S. framework

Ward Furniture

Bedside Locker - Standard

Product Code – FC-3001

- Machine pressed sheet box with door of heavy gauge
- Assembled to CRC tubular legs of 2.5cms dia.
- Stainless steel polished top
- Mounted on protective PVC Stumps
- Pre-treated and epoxy powder coated
- Overall Approx Size: 40L x 40W x 80H cm

Bedside Locker - Deluxe

Product Code – FC-3002

- Complete locker box made of machine pressed CRCA sheet
- Closed from three sides and a suitable drawer for extra storage
- Stainless steel polished top
- Mounted on PVC Stumps / on 5 cms dia. castors for easy movement
- Pre-treated and epoxy powder coated
- Overall Approx Size: 40L x 40W x 80H cm

Bedside Cabinet - ABS

Product Code – FC-3003

- Complete locker box made of strong ABS plastic
- Smooth premium-finish ABS Top
- Provided with one storage cabinet and single drawer under the top and space for keeping utilities
- Mounted on 5 cms dia. castors for easy movement
- Smooth edges and ergonomic handles
- Overall Approx Size: 45L x 45W x 75H cm

Dressing Trolley

Product Code – FC-3004

- Stainless Steel tubular pipe framework
- Two stainless steel shelves with railing on all four sides
- Provision for one S.S. basin and one S.S. bucket
- Trolley mounted on 100mm noiseless casters, two with brakes
- Also available in M.S. framework
- Size options available: 60L x 45W x 80H cm
75L x 45W x 80H cm

Instrument Trolley

Product Code – FC-3005

- Stainless Steel tubular pipe framework
- Two Stainless Steel shelves with three side railings on both shelves
- Mounted on 100mm swiveling castors
- Also available in epoxy coated mild steel framework
- Size options available: 60L x 45W x 80H cm
75L x 45W x 80H cm

Medicine Trolley

Product Code – FC-3006

- Mild Steel / CRCA rectangular tubular pipe framework
- Two stainless steel shelves with three side railing on top shelf
- Two M.S. drawers under the each shelf
- Mounted on 100mm swiveling castors
- Pre-treated and epoxy powder coated
- Overall Approx Size: 75L x 45W x 80H cm

I.V. Stand - M.S. / S.S.

Product Code – FC-3007

- M.S. / Stainless Steel tubular pipe
- Double hook S.S. adjustable IV rod with a Bakelite knob
- Five-legged heavy polypropylene base / S.S. base mounted on 5 cms castors
- Also available in epoxy coated mild steel framework

Cylinder Trolley

Product Code – FC-3008

- CRCA / Mild Steel tubular frame work
- Mounted on two 100mm castors
- M.S. Sheet base plate
- Pre-treated and Epoxy Powder Coated
- Also available in full SS framework

Wash Basin Stand (Single / Double)

Product Code – FC-3009

- Stainless steel tubular pipe construction
- Mounted on heavy polypropylene base with 5cm castors
- One / Two S.S. basin of 35 cm dia. each
- Also available in epoxy coated mild steel framework

Ward Furniture

Overbed Table - Adjustable Height

Product Code – FC-3010

- Frame work of rectangular CRC / mild steel tubes
- Mounted on 50mm noiseless swiveling casters
- Fixed with wooden laminated top
- Height adjustable by Bakelite knob
- Pre-treated and epoxy powder coated
- Also available in SS framework
- Also available with ABS plastic top

Overbed Table - Adjustable Height

Product Code – FC-3011

- Frame work of rectangular CRC / mild steel tubes
- Mounted on 50mm swiveling noiseless casters
- Fixed with wooden laminated top
- Height adjustable by gear mechanism
- Pre-treated and epoxy powder coated
- Also available in SS framework
- Also available with ABS plastic top

Overbed Table - Fixed Height

Product Code – FC-3012

- Frame work of rectangular CRC / mild steel tubes
- Mounted on 50mm swiveling noiseless casters
- Fixed with wooden laminated top
- Pre-treated and epoxy powder coated
- Also available in SS framework
- Also available with ABS plastic top

Utility Trolley

Product Code – FC-3013

- Frame work of CRCA / mild steel tubes
- Mounted on 75mm noiseless swiveling casters, two with brakes
- Two stainless steel shelves with railing on three sides
- One M.S. drawer below the top shelf
- Provision for I.V. rod
- Pre-treated and epoxy powder coated
- Overall Approx Size: 60L x 45W x 80H cm

Baby Cradle

Product Code – FC-3014

- Frame work made of CRCA / mild steel tubes
- Cradle made of 5mm thick wire mesh
- Provision for hanging cradle with sturdy supports welded to the main frame
- Legs fitted with PVC Stumps
- Pre-treated and epoxy powder coated
- Overall Approx Size: 90L x 36W x 96H cm

Baby Bassinet

Product Code – FC-3015

- Frame work made of CRCA / mild steel tubes
- Mounted on 75mm noiseless casters, two with brakes
- Transparent acrylic crib with mattress
- Manual Trendelenburg / rev. trendelenburg
- Pre-treated and epoxy powder coated
- Also available in all S.S. frame work
- Overall Approx Size: 92L x 38W x 98H cm

Soiled Linen Trolley (Canvas Bag)

Product Code – FC-3016

- CRCA / Mild Steel tubular frame work
- Mounted on four 100mm noiseless casters, two with brakes
- Provided with superior-quality Canvas bag
- Pre-treated and Epoxy Powder Coated
- Also available in full SS framework

Soiled Linen Trolley (Plastic Bucket)

Product Code – FC-3017

- CRCA / Mild Steel tubular frame work
- Mounted on four 100mm noiseless casters, two with brakes
- Provided with superior-quality Plastic bucket with lid
- Pre-treated and Epoxy Powder Coated
- Also available in full SS framework

Linen Change Trolley

Product Code – FC-3018

- CRCA / Mild Steel tubular frame work
- Mounted on four 100mm noiseless casters, two with brakes
- Three powder coated M.S. shelves
