About Us

Our company, Body Line Sports, is one of the largest leisure sports and fitness retail brands in Eastern India. With more than 25,000 square feet of upscale displays dispersed across our chain of ISO-certified retail showrooms, our longstanding and respected firm assures that our customers can depend on dependable service support and 24x7 shipping to several locations. We display a large choice of fitness products for cardio and strength training, including products like Exercise Bench, Fitness Machine, Seated Preacher Curl Machine, Seated Calf Raise, Vertical Knee Raise - Dip Stand, and more.

The number of our happy customers has surpassed lakhs. We import and obtain the best-quality, broadest selection of sports and exercise equipment. We deal in both original Indian products and imported brands from the United States, the United Kingdom, Taiwan, Korea, and many other nations. The majority of our goods are CE and TUV certified and were created in the USA and the UK. All this has made us one of the leading suppliers, traders, and service providers in the market. We offer our clients repair, maintenance, and installation services.

Our customers are our first priority, and we want to offer them the best experience. Working with us takes many active steps. First of all, we make sure that the products we supply to them are quality-assured. We test each of them to make sure they are durable and effective and that no accidents occur while using them. We assist our clients in the best possible way and highly value the feedback they give us. We improve in areas that need improvement and always strive to keep doing our best.
