About Us

Construction work coupled with excellent Waterproofing materials always gives outstanding results. Incepted in the year 1997, Riddhi Enterprise has carved a special niche in the industry as a leading Manufacturer, Trader and Supplier of world-class Waterproofing materials such as Waterproofing Coatings with assured quality and durability from Mumbai, Maharashtra. We are also a noted importer of various chemicals, which are heavily used in construction works for better finishing. The company has become a top notch organization under the influential leadership of Mr. Nilesh Shah.

Our wide product range includes superior grade Heat Reflective Coatings, Ceramic Tile Adhesives, Wall Tile Adhesives, Metallic Floor Hardeners, Non Metallic Floor Hardeners, Glass Fiber Mesh, Polyurethane Sealants, Waterproofing Materials, Injection Grouting Machine and lots more. These are available at reasonable prices and in large varieties so that clients can easily select product as per their choice and requirement. Since the time of our inception, we are serving the industry with top quality products. Our business ethics are fair and for the same reason, we are widely appreciated by our customers. Adding on, our firm is committed to the on-time delivery of the products. We can produce as per the requirements of our clients with assured timely delivery under all circumstances. We have a well developed in-house quality testing center where every product is minutely tested on various quality parameters prior to the final delivery. Count on us and avail premium quality Water Repellent and other building materials at competitive prices.
