\*20% more hot water in comparison with existing inlet top open pipe. Tested & verified with NABL Accredited lab.

\*\*\*Parents/Guardians must supervise and ensure that the knob on the Water Heater is manually set to Child Safety Mode

#Conforms to BEE norms. Due to the process of continuous improvement, specifications are subject to change.

\*Applicable for 15L & 25L variants.

^Applicable on select models.

## WATER HEATERS

CATALOGUE | 2024

If you let your dreams be,  
they will remain dreams.

If you don't fuel your ambition,  
It won't be more than a passion.

So, let's pull ourselves up and stand free.  
Cause if life is tough, then so are we.

Day after day, night after night,  
We're built to play.  
We're built to fight and we're

BUILT TO BE  
UNSTOPPABLE

What makes  
Bajaj Water Heaters so

ENDURING?

The secret behind  
the legendary  
Bajaj durability is a  
simple insight:

You don't give up.  
So why should your  
Water Heater?

Bajaj Water Heaters are designed to provide you  
an exceptional hot water experience while  
offering long-lasting durability.

We understand the importance of investing in a  
product that will last, hence our Water Heaters  
are built with high-quality materials & latest  
technology to withstand the toughest conditions.

Bajaj has come up with three new series;  
Bajaj Shield Series, Bajaj Endure Series, Bajaj  
Armor Series which comes with the highest  
warranty promise in the industry with features like  
Bajaj DuraAce™ Tank and Bajaj DuraCoat™  
Non-stick Heating Element with 10 Years and  
6 Years Warranty respectively.

Join us to experience ultimate durability which  
ensures double the peace of mind.

## FEATURES THAT MAKE BAJAJ WATER HEATERS TRULY EXCEPTIONAL

**Bajaj DuraAce™ Tank**  
*Marine Grade Glass-line Coating  
with 10 Years Warranty*

**Bajaj DuraCoat™**  
*Non-stick Heating Element  
with 6 Years Warranty*

**Bajaj Voltage Pro™**  
*4.5 kV Surge Protection*

**Bajaj DuraNte™ Thermostat**  
*Ensures 4 Years of Reliability*

**Bajaj AgeGuard™**  
*Prevents Colour Fading*

Only available in select few models.

# FEATURES

## PIPE CONCEALER FOR HIDING INLET-OUTLET PIPES

Used to conceal inlet and outlet pipes to give bathrooms an appealing appearance

## BEE RATING

BEE rating assures its energy-efficiency

## PUF INSULATION

The water stays hot for a longer time, thanks to the Polyurethane foam inserted between the outer and inner shells

## MAGNESIUM ANODE

Anti-corrosive device to protect the tank from corrosion

## SWIRL FLOW TECHNOLOGY

Ensures 20% more hot water\*

## REMOTE CONTROLLED OPERATION

For ease of switching on & off and setting the desired water temperature

## PRE-SETTING 24 HOURS IN ADVANCE

Intelligent timer to pre-set the heat up time, saving energy and time. The settings are not disturbed even in power cuts

## DIGITAL DISPLAY

The digital display on the Water Heater shows the temperature of the hot water and time set, if any

## ADJUSTABLE THERMOSTAT

For adjusting water temperature setting

## TITANIUM ARMOUR TECHNOLOGY

Special inner tank coating to prevent corrosion and rusting resulting in longer tank life

## ISI APPROVED

A testimony of the product quality

## OXYGEN DEPLETION SENSOR

Alerts when the surrounding oxygen level is lower than what is recommended for breathing

## SUITABLE FOR HIGH-RISE BUILDINGS

Pressure withstanding capacity up to 8 bar (G+18 floors/270 feet)

## MULTIPLE SAFETY SYSTEMS

Helps in avoiding any operational hazard, ensuring more safety

## FLAME FAILURE PROTECTION

If the flame gets extinguished, the gas flow will be stopped automatically

## HIGH GRADE STAINLESS STEEL TANK

Corrosion resistant base material for longer life

## Free Installation + Pipes available^

For convenience and assured safety

## AUTO SHUT OFF

The Water Heater goes into Standby Mode if the water is not used within 90 minutes. This enhances safety and saves energy

## CHILD SAFETY MODE\*\*\*

Ensures enhanced safety, as the cut-off temperature is marked which safeguards the child from any accidental hazards

## ADJUSTABLE BURNER KNOB

Increases or decreases fuel burning rate which in turn controls the water temperature

## ENGINEERING THERMOPLASTIC BODY

Shock resistant and rust-proof Water Heater outer body, making the product last longer

Comes with a pipe concealer for inlet and outlet pipe
