

 **SAVING ENERGY,**   
**ONE BATH AT A TIME**  
WITH ENERGY-EFFICIENT WATER HEATERS

# FASTER HEATING IN AN ENERGY-EFFICIENT PACKAGE

In the fast-paced world that confronts us, time is of the essence. We have none to waste. Which is why Orient Electric Water Heaters are designed to provide you with hot water in the fastest possible time, while ensuring the lowest possible electricity consumption.

With a wide range of 5-star rated offerings, Orient Electric has created a piece of technological genius designed to add comfort and ease to your lives.

## **Technology that stands out :**

- IoT-enabled technology that gives you the liberty to operate your water heater from anywhere in the world.
- Ultra-diamond Glassline technology which ensures longer tank life, even in hard water conditions.
- Whirlflow technology which provides 20% more hot water output.
- Glassline heating element that ensures a seamless water heating experience.

'Safety first' is more than just a motto at Orient Electric. Which is why our water heaters ensure 100% protection with the best industry manufacturing processes and highest quality standards.

With a continuous focus on product quality and service, we have earned the trust and reached over 1,35,000 retail outlets. Our service network is going strong with a foothold in over 480 cities. Moreover, with a presence in over 42 countries worldwide and in all states across India, Orient Electric Ltd. is one of the oldest and most trusted brands in the electrical lifestyle solutions industry and has rightly earned the 'Superbrand' award on multiple occasions.

# WHY ORIENT ELECTRIC WATER HEATERS?

## Electricity Bill Savings

With a wide range of 5-star BEE rated models, Orient Electric water heaters go easy on your pocket and lend the perfect balance of heating efficiency coupled with electricity savings.

## Safety

Orient Electric Water Heaters arrive with a 5-level safety shield and a high accuracy thermostat that provides maximum protection from overheating. A multifunction valve is used for protection against overpressure, vacuum and water backflow ensuring the utmost safety of your family.

## Long-Lasting Performance

Built with shockproof Polymer material in the outer body and a Glassline-coated Incoloy heating element, Orient Electric water heaters ensure anti-scaling and last a lifetime. 27% thicker magnesium anode rod and an Ultra-Diamond Glassline tank ensure corrosion-proof operation, no matter the water conditions.

## Wide Range

Orient Electric offers a wide range of storage, instant, gas, and immersion water heaters that spoil you for choice and fit your needs like a glove.

## Style and Convenience

Orient Electric offers the perfect blend of aesthetics, performance, and convenience - made possible with color changing LED indicators, Glassline technology, and IoT. These technologies and features ensure that you get the best experience wrapped in a stylish package.

## After Sales Support

We stand by our products and customers by offering comprehensive after-sales support and free installation on the Glassline water heaters.

# THE WHAT, WHY, AND HOW OF BUYING A WATER HEATER

## Water Heater Buying Guide

Type	Capacity (Litre)	Family Size	Application/Usage
Instant Water Heater	3 Litre	1-2 members	Kitchen Wash - Basin
	5.5 Litre	1-3 members	Kitchen Wash - Basin Bucket
Gas Water Heater	6	1-4 members	Kitchen Ventilated Bathroom - Bucket
Storage Water Heater	6 -10 Litre	2-3 members	Bathroom - Bucket
	15 - 25 Litre	2-4 members	Bathroom - Shower, Bucket
	35 - 50 Litre	2-5 members	Bathroom - Bathtub, Shower, Bucket
	70 - 100 Litre	2-8 members	Bathroom - Bathtub, Shower, Bucket
Immersion Water Heater	1/1.5 kW Immersion	1 member	Bucket

## Water Type

Hard water contains high levels of mineral salts like Calcium and Magnesium. The minerals present in hard water can cause scaling. Over a period of time, it starts interfering with the efficiency of the water heaters. In hard water conditions, choose water heaters with glassline coated tank, HPE Technology tank and glassline heating element, anti-scale devices like magnesium anode rod, which prevent corrosion and scaling, thus enhancing tank life.

## Pressure Pump Compatibility and Safety

If you live in a high-rise building or use a pressure pump, then consider rated pressure of at least 8-bar and ensure that your water heater has a pressure release valve for safety which releases over pressured water to avoid tank damage.

Orient arrives with the revolutionary IoT technology that gives you the comfort of operating your water heater from anywhere in the world.

### CUSTOMIZE AS PER YOUR NEEDS

The Manual Mode allows you to customize and save temperature settings for the specific needs of different family members.

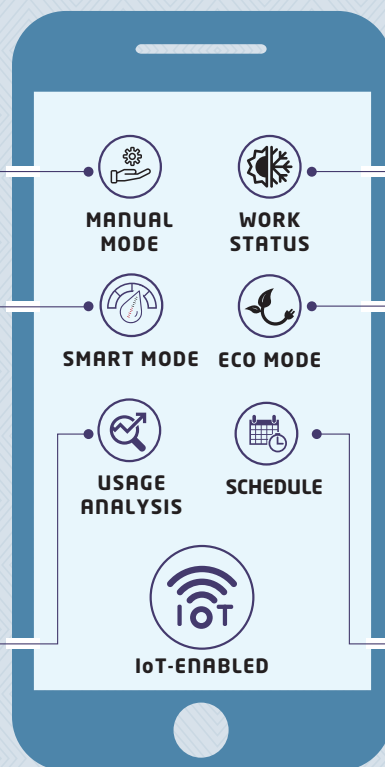

### SAVE TIME

The Smart Mode sets the highest temperature as default to ensure fast-heating and quick availability of hot water.

### TRACK YOUR ELECTRICITY BILL

The usage analysis option analyses the power-consumption trend of the water heater on a daily, weekly, and monthly basis.

### DOWNLOAD THE ORIENT SMART APP

### CHECK REAL-TIME WORKING STATUS

The work status option reflects the real-time working status of the water heater.

### SAVE ELECTRICITY

The Eco mode sets the optimal temperature for conserving energy; while ensuring that the water stays warm.

### SET YOUR TIMER

The schedule option automatically switches your water heater ON and OFF at the required temperature for a better bathing experience.

# Storage Water Heaters

Add a touch of comfort and convenience to your life with the wide range of Ultra Diamond Glassline coated and BEE 5-star rated Orient Electric water heaters. The Ultra-Diamond Glassline coated tank and heating element provides excellent corrosion resistance and makes it suitable for high-rise buildings. Available in various designs and capacities to suit your aesthetic preferences, evolving needs, and environments, these water heaters are the perfect fit for your washroom! In addition to that a bunch of safety features, premium manufacturing quality, suitable for high-rise applications, and energy efficiency - and you've got yourself the complete package! To top it all off, the in-built IoT technology lets you remotely operate your water heaters from anywhere you want!

# INSTANT WATER HEATERS

Get used to instant hot water with Orient Electric's wide range of instant water heaters and the industry's first-ever 5.5 Litre instant water heater i.e., Rapidus. The perfect blend of elegance and technology, these water heaters are an ideal match for your kitchen, office pantry, bathrooms, and more. But what makes them unique is a shock-proof high strength polymer body, stainless steel tank, pressure bearing capacity up to 8 bar, and glass wool insulation. And the list goes on and on and on! The only thing left to do is decide which instant water heater you want!

## RAPIDUS

IWRP55VPS6M3-WB (5.5L, 3 kW)

**Faster Heating**  
Heavy Copper Heating Element

**Longer tank lifespan**  
High-Grade Stainless-Steel Tank

**Power & heating indication**  
Neon Indicator

**Better load efficiency**  
Moulded 3-Pin Plug

**Enhanced safety**  
Pressure Release Valve & Anti-siphon hole

**Warranty:** 5 year on Tank,  
2 year on Heating Element,  
2 year on Product

**MID & LOW RISE  
COMPATIBLE**

**SHOCK  
PROOF**

## PRIMUS

IWPM03VPS8M3-WW (3L, 3kW)  
IWPM03VPS8M4-WW (3L, 4.5kW)

**Faster Heating**  
Heavy Copper Heating Element

**Longer tank lifespan**  
High-Grade Stainless-Steel Tank

**Power & heating indication**  
LED Indicator

**Better load efficiency**  
Moulded 3-Pin Plug\*

**Enhanced safety**  
Pressure Release Valve & Anti-siphon hole

**Warranty:** 5 year on Tank,  
2 year on Heating Element,  
2 year on Product

**HIGH-RISE  
COMPATIBLE**

**SHOCK  
PROOF**

\*For 3L, 3kW only

## REVATTO

IWRV03VPS6M3-WW (3L, 3kW)

Heavy Copper Heating Element

**Longer tank lifespan**  
High-Grade Stainless Steel Tank

**Power & heating indication**  
Neon Indicator

**Enhanced safety**  
Pressure Release Valve & Anti-siphon hole

**Warranty:** 5 year on Tank,  
2 year on Heating Element,  
2 year on Product

**MID & LOW RISE  
COMPATIBLE**

**SHOCK  
PROOF**

# GAS WATER HEATERS

Planning to save some money on your water heating electricity bills? Bring home Orient Electric's flagship gas water heater - Vento Neo. Designed to heat water instantly while saving up on electricity bills with a gas-based operational system, Vento Neo has a sleek design that blends seamlessly with your interiors. And the best part about it? It's safer than a seatbelt! Get busy saving with Vento Neo!

## VENTO NEO

GWVN05VML8KN-WK (5L)

### Faster heating

3-Row burner & Tin-plated Heavy Copper Heat Exchanger

### Enhanced safety

Flame failure device, Auto 20-min Off timer, Overheat & Over-pressure protection

### Shuts off ignition during improper usage

Through Safety Lock

### Assured quality

ISI Certified Product

### Heat water as per the weather

Summer-Winter Mode

### Prompts to replace battery

Through Low Battery Indicator

### Suitable for high-rise buildings

Pressure compatibility upto 8 bar

### Warranty:

2-year on product

# IMMERSION RODS

## ARC PLUS

# GAS WATER HEATER IMMERSION RODS

VENTO NEO

ARC PLUS

HOT STAR

Category		Gas
Model		Vento Neo
Model No.		GWVN05VML8KN-WK
Mounting Position		Vertical
Hot Water Output (Litres Per Minute)		5
Outer Body		Powder Coated Metal
Burner		Stainless Steel
Heat Exchanger		Tin Plated Copper
Solenoid Valve		Single
Function Display		N.A.
Gas Flow Control		Manual Knob
Water Flow Control		Manual Knob
Temperature Mode		Summer / Winter
Power Indicator		Neon
Max Water Pressure Rating (Bar)		8
Primary Overheat Protection		Thermal Cutout
Overheat Protection Timer		20 Minute Auto Off
Gas Leakage Protection		Flame Failure Device
Accidental Ignition Protection		Safety On/Off Switch
Scaling & Blockage Prevention		Inlet Mesh
Available Colours		White
Dimension (mm)	Length	290
	Width	140
	Height	490
Warranty (Product) year		2

Category		Immersion	Immersion	Immersion	Immersion
Model Name		Arc Plus	Arc Plus	Hot Star	Hot Star
Model No.		IM10AP	IM15AP	IM10HS	IM15HS
Rated Input Power (kW)		1	1.5	1	1.5
Outer Body		Shockproof PBT Polymer	Shockproof PBT Polymer	Bakelite	Bakelite
Heating Element		Heavy Copper with Nickel Coating	Heavy Copper with Nickel Coating	Heavy Copper with Nickel Coating	Heavy Copper with Nickel Coating
Power Indicator		N.A.	N.A.	Neon	Neon
Water Level Indicator		Yes	Yes	Yes	Yes
Handle & Bucket Clip		Yes	Yes	Yes	Yes
Power Cord (metre)		1.6	1.6	1.6	1.6
Power Plug		6 Amp. 3-Pin ISI Certified	16 Amp. 3-Pin ISI Certified	6 Amp. 3-Pin ISI Certified	16 Amp. 3-Pin ISI Certified
Available Colours		White-Blue	White-Blue	Black	Black
Dimension (mm)	Width	74	74	75	75
	Depth	67	67	65	65
	Height	360	360	360	360
Replacement Warranty (Product) year		2	2	2	2

As product upgradation is a continuous process, designs and specifications are subject to change without prior notice. Warranty applicable in India only.
