

VOLTAS

WATER HEATERS

WITH QUARTZLINE TECHNOLOGY

**TATA
Group**

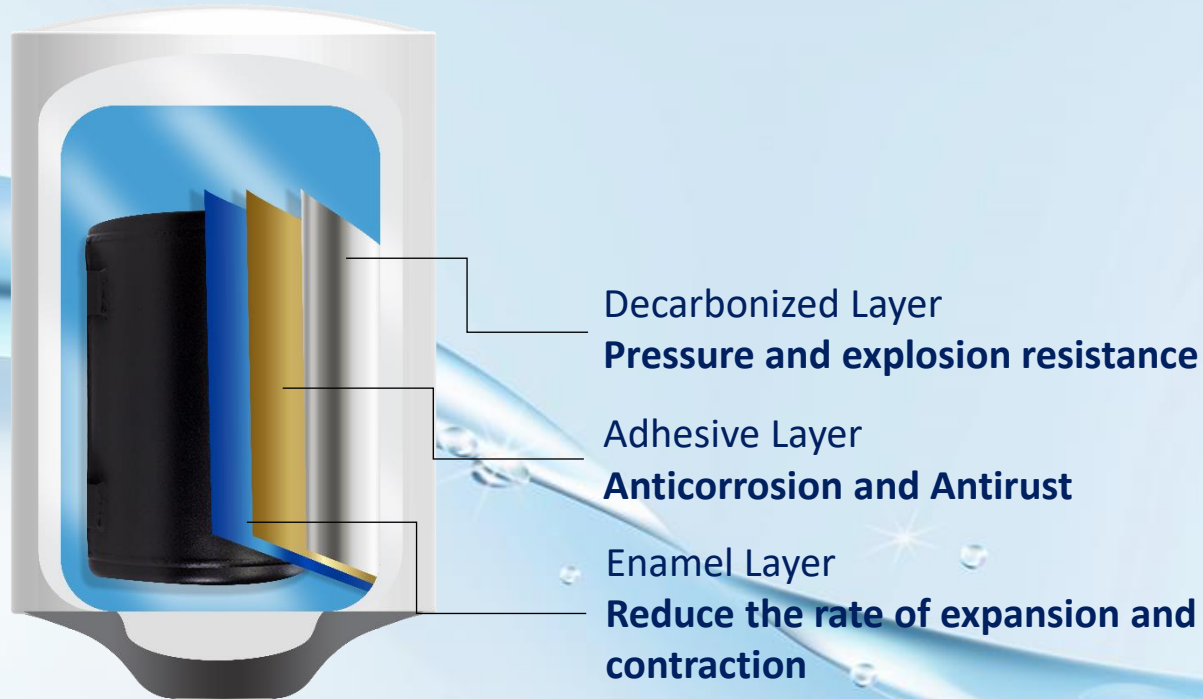

Founded in 1868, the Tata Group is a global business group with products and services in over 150 countries, with over 7 Lakh employees, and operations in over 100 countries. The group revenue is over \$110 bn, with majority of the revenue generated in geographies other than India. The group is a Global leader in several sectors.

VOLTAS

Voltas Limited is a premier air conditioning and engineering solutions provider and a projects specialist. Founded in India in 1954, Voltas Limited is part of the Tata Group, and in addition to Air Conditioners, Air Coolers, Water Dispensers, Water Coolers and Commercial Refrigeration products; Voltas offers smart engineering solutions for a wide spectrum of industries in areas such as heating, ventilation and air conditioning, refrigeration, electro-mechanical projects, electrification, textile machinery, mining and construction equipment, cold chain solutions & building management systems. Voltas Limited is among the top 10 companies within the Tata Group and is the undisputed market leader in room Air Conditioners in India.

QUARTZLINE COATING

Advance Micro Technology

- Provides several times the corrosion resistance and anti-rust effects compared to standard inner tank designs.

- Single weld line on the inner tank

- A Die-Hard life span

It even passes through multiple tests including:

- Anti – alkaline test: 20% brine/ 15days

- Fatigue test: 0.2M Pa ~ 0.8M Pa, rate 300,000

Times (UL standard:100,000 times)

- Environment synchronization test

VOLTAS

COPPER ELEMENT

100% copper for superior heating

QUARTZLINE COATING Advance Micro Technology

Ultra strong steel single line welded tank

6 LEVEL SAFETY SYSTEM

Advanced protection features for enhanced security

TEMPERATURE CONTROLLER

Adjustable knob to set between 30°C to 75°C for power saving

POLYURETHANE INSULATION

High density insulation for maximum energy saving

MAGNESIUM ANODE

Extends the lifespan of the tank

FLEXIBLE HYDRANT

Multi-function safety valve

HIGH WORKING PRESSURE

8 bar pressure for high rise building

DURABLE PLASTIC BODY

High quality material for long lasting life

LED HEAT INDICATOR

Smart LED that changes color as the water heats
