About Us

Power Tech India is a reputable company that was founded in 1990. We are active as a manufacturer and supplier of a wide range of products, including MS Straight Cable Roller, Eye Bolt, Aluminium Expansion Clamp With Copper Flexible, Casted Type Aluminium Trefoil Clamp, etc. Because of their durable qualities and efficacious outcomes, these products are in high demand. The best raw materials available, supplied by reputable and approved vendors in the market, go into making all of the products we offer.

A group of highly skilled and seasoned specialists fully supports us. These professionals were chosen based on their backgrounds. We have built an advanced and ultramodern infrastructure unit, equipped with all the cutting-edge machinery and tools needed to produce the offered goods. We are able to meet the bulk needs for the products we provide because of our vast production capacity. We are able to attain this respectable position thanks to the invaluable supervision of our mentor, Mr. Mehruddin Saifi. We are a leading organization in this field thanks to his extensive experience and deep domain knowledge.

Key Facts
