Note:

A. PT round ID LRL/PT/NDTC/H03/20 will be conducted at PT provider's premises at Jaipur in the month of April 2020. Exact dates will be declared on or before 30.03.2020.

B. PT round ID LRL/PT/NDTC/H02/20 will be conducted at PT provider's premises at Jaipur on 26.02.2020.

C. Dates mentioned above are tentative and may be postponed if sufficient number of participation is not met.

D. Fees mentioned here are excluding GST, please deduct discount amount from fees (Refer Form-1 for discount policy) and add GST on balance amount to calculate total fees payable.

E. #Rates mentioned in USD are applicable for non-Indian participants and GST is not applicable on such participants.

F. #Rates mentioned in USD are including the packaging cost but excluding the shipping charges. Following procedure will be adopted for shipping of packed samples:

(i) To pay the actual cost of shipping, participants may ask the estimated cost by sending us an email. An estimate of competent courier service agency will be sent to them and they will be required to deposit the shipping cost along with PT fees.

(ii) Or participant may choose to arrange the picking of samples from our Lab's address on their own. For which we will handover the consignment to the courier agent appointed by them. Participants will

be required to pay the cost directly to their courier agent for picking, shipping and delivery up to destination.

(iii) Shipping of the PT samples is subjected to local law of land for transportation of any particular material and may affect the dispatch. Participants are advised to assess the possibility of hassle free transit of material before applying for PT.

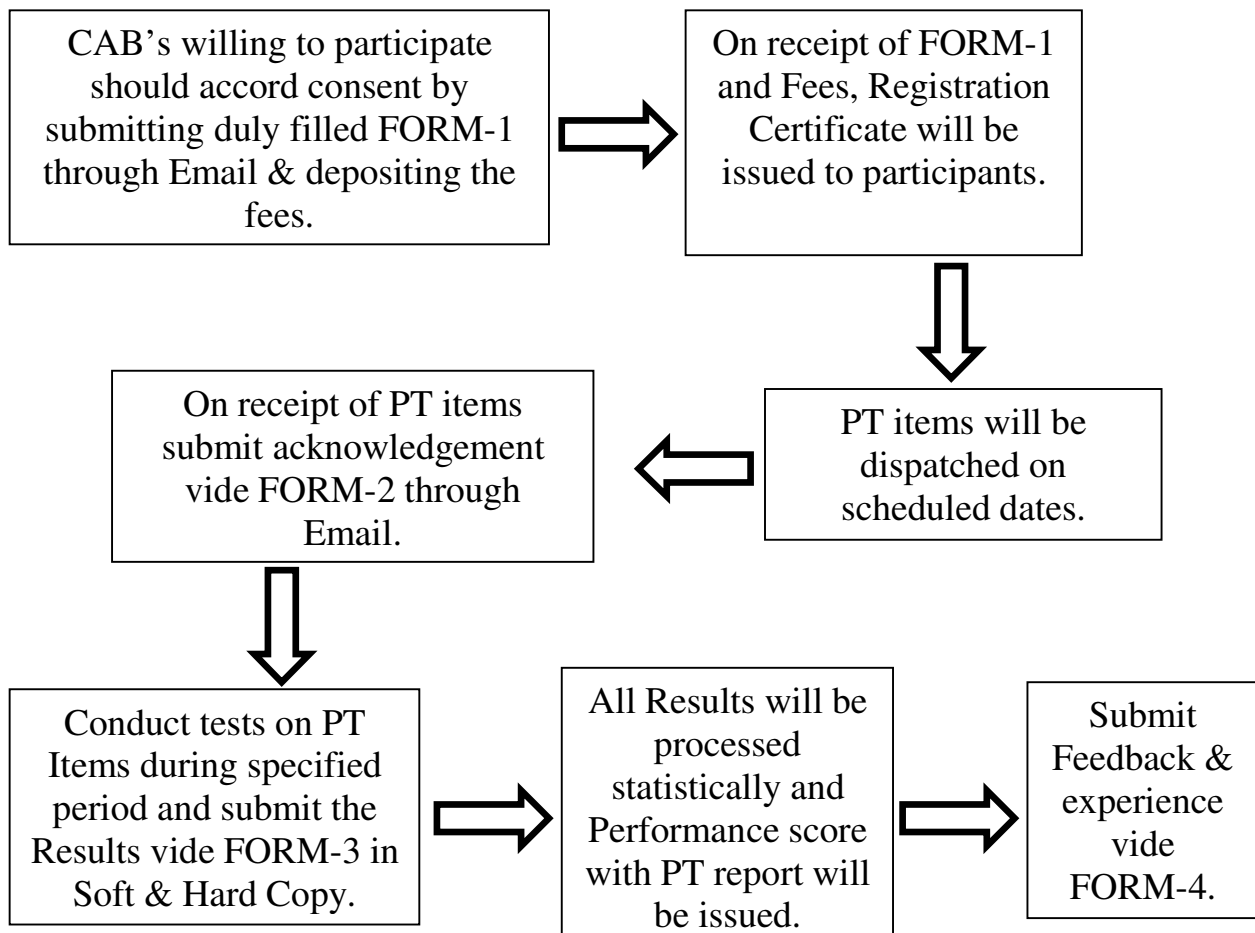

GENERAL PROTOCOL FOR PROFICIENCY TESTING SCHEMES - 2020

1. INTRODUCTION:

LANDMARK Material Testing and Research Laboratory Pvt. Ltd (LRL) is a renowned organization providing services in the field of mechanical testing of various building materials and soil, technical trainings, research & development. The PT DIVISION of LRL is an Accredited Proficiency Testing Service provider as per ISO 17043:2010 in many parameters & products and continually enhancing its existing scope.

2. INFORMATION ON PT ROUNDS:

The process flowchart of the round is mentioned below:

3. REGISTRATION AND MATERIAL DISPATCH:

Registrations will remain open for all PT rounds throughout the programme duration till PT material dispatch date. In general PT Material will be dispatched as

per the scheduled date, but in some cases due to less participation it may be postponed and thereby the PT report issue date also, as the case may be.

The laboratories willing to participate in any of the PT round may submit their request vide duly filled FORM-1 along with respective fees and GST. On receipt of Form-1 & fees, a certificate of registration will be issued.

4. PT REPORT AND CONFIDENTIALITY:

The identity of participants will not be disclosed in PT report and only a numeric codal identity will be used to address the participant. PT Report and performance scores will be issued to participants only, however these may be issued to NABL or any regulatory body if required.

5. APPEALS & COMPLAINTS:

The participating laboratories may submit appeals or grievances, if any, to PT coordinator within one month after the issue of PT report.

6. COMMUNICATION:

The complete programme is being managed by Nirbhay Mathur (PT Coordinator). The participants may interact with PT coordinator as per the details given below. Electronic (email) and documented communications between official addresses will only be considered valid.

PT Division reserves the right to carry out alterations/corrections/revisions and to cancel the whole or part of any PT round at any time without assigning any reason whatsoever.
