We “Defence Engineering Works” are a leading **Manufacturer, Exporter, Wholesaler, Service Provider, Importer, Supplier, Distributor, and Trader** of a wide range of products.

## About Us

Established as a **Sole Proprietorship** firm in the year **1992**, we “**Defence Engineering Works**” are a leading **Manufacturer, Exporter, Wholesaler, Service Provider, Importer, Supplier, Distributor, and Trader** of a wide range of **Human Heart Model, Rota Flow Burette, Beaker Tong, Tuning Fork and many more**. Situated in **Ambala (Haryana, India)**, we have constructed a wide and well functional infrastructural unit that plays an important role in the growth of our company. We offer these products at reasonable rates and deliver these within the promised time-frame. Under the headship of our mentor “**Mr. Sukhvinder Singh**”, we have gained a huge clientele across the nation.
