## About Us

Well-acclaimed manufacturer and supplier, Laxmi Industries is growing by leaps and bounds with each passing year. We specialize in a diverse product range. We believe that by offering diversity across our product range, we will be better able to cater to the demands of a large clientele. We know that no two customers might have similar preferences and requirements. The products we offer comprise LED Screens, Prefeb Structure Sheds, Aluminum Poles, Solar High Mast Lights, Traffic Sigh Boards, and others.

Laxmi Industries is a Pimpri (Maharashtra, India)-based notable manufacturing company led by an adroit professional, Ms. Meeta Singh. She is a highly experienced professional with an impeccable skill set. Her in-depth industry knowledge and rich experience guide us to do our best to bring forth outstanding results in the market. Under her strict supervision, we design and develop a world-class range of Solar High Mast Lights, Traffic Sigh Boards, Aluminum Poles, Prefeb Structure Sheds, LED Screens, and other products. All the products are manufactured with the utmost precision and are therefore worth purchasing. For more than a decade we have been flourishing as one of the most reliable manufacturers and suppliers of the aforementioned products in the industry.
