About Us

A company "Chandra Prakash & Co." has been reigning supreme in the domain of manufacturing Jute Rope and Jute Products which feature outstanding tenacity, excellent strength and durability. It has marked a niche for itself as a prominent manufacturer and exporter of Jute Rope that is made out of a stack of high-grade raw jute bales, and with the help of modern methods & leading-edge technology, therefore making remarkable inroads not only in Indian but also in overseas marketplaces. We are marked down as an industry's leader, catering for supremely growing markets of India, East Europe and North Europe. Capitalizing on the sophisticated infrastructural set-up that is outfitted with advanced spinning, doubling hackling & spreading machines, we produce jute rope that agrees to the optimum standard with regard to strength and finish.

Based in Jaipur, Rajasthan, India, we have earned our place in the market as a leading Manufacturer, Exporter, Trader and Supplier of Hand Spun Yarn, Hand Spun Jute Yarn, Jute Yarn, Hand Spun Jute Braid, Hand Spun Braid, Jute Rope, Coco Peat Powder, Coco Coir Peat, Coir Coco Peat, and Jute Yarn Rope. Some of our other products include Abaca Fibre, Aloe Fibers, banana Fiber Yarn, Banana Yarn and Coir Yarn. All these products are highly Eco-friendly and can be used to make bags, brooms, etc. We care for our environment, and make sure to produce organic products, which are biodegradable. Apart from this, all the aforesaid products are tested on specific quality parameters to ensure their high-end productive rate in terms of durability and longevity.
