SENNA DRY LEAVES

About Us

Shalom Export And Imports is an export focused business unit, supplying Tea, Dry Stevia Leaves, Natural Senna Leaves, Henna Leaves, Aloe Vera, Corn Flour, Coir Product, Chia Seeds, etc. These are sourced from authentic vendors, who are famous for hygienically processing their products in abidance with the global food & safety standards.

Our offered leaves are cleaned and processed under highly hygienic conditions and are known for their medicinal values. These leaves are considered as highly effective laxative due to presence of a compound named as anthraquinones. The application of these leaves have been found in herbal medicines and are used as an active ingredient in traditional Chinese medicines.

Senna leaves are considered effective for the problem of constipation. The leaves stimulate the muscles of colon which helps in releasing fecal matter in a quick manner. When treated with the leaves, colon absorbs the water which in turn softens the stool.
