## About Us

Fibrocast, is a 2013 establishment with many years of fiberglass experience served the FRP product needs of clients worldwide. The Navi Mumbai, Maharashtra (India) based Manufacturer, Importer, Supplier & Exporter deals in a wide range of FRP products, which include FRP Manhole Covers, FRP Grating, FRP Tank Covers, FRP Composite Covers, FRP Cabins; to name a few; available in different shapes, design, colors, texture & finish. All our manufactured products are approved by the Pune Municipal Corporation, Navi Mumbai Municipal Corporation, MHADA, MMRDA, Kalyan Dombivali Municipal Corporation & other reputed institutions & government bodies.

Our ISO 9001: 2008 certified company imports FRP from the markets of United Arab Emirates, China, and Japan. The finest FRP sourced is used with other material like resins and additives is utilized in the production process, where it is subjected to molding and tooling. The basic advantage of using FRP as a raw material is its ability to be easily turned into complex, shapes, forms and dimensions.
