About Us

We, Garg Trading Company, are a technology leader with expertise in providing specialty and commercial grade Sulphur in various forms for use as a fungicide, insecticide, and for use across many industries like paper, chemical, rubber, pharma, personal care, and others. Sulphur Wdg Noodles, Sulphur Dust, Sulphur Granules, Sulphur Lumps and Sulphur Pellets can be supplied by us in bulk volumes backed with dedicated, timely services. With our value for money products, we have been meeting client needs for over 30 years. We initiated business in 1990, undertaking manufacturing activities only from 2015. Today, more and more customers choose our Sulphur products because we are committed in business as a trustworthy manufacturer and work towards providing timely service and fair pricing along with qualitative products that add maximum value to agro chemicals and other sulphur-based formulations.

Demonstrating quality excellence in business, we are Garg Trading Company, a reputable business name from Panipat, Haryana, India, dealing in effective Sulphur Dust, Sulphur Wdg Noodles, Sulphur Lumps and Sulphur Granules, to name a few of our top selling products. With an impeccable track record spanning three decades, we have made indelible marks across various markets of India through ready delivery of our quality-based sulphur products. We have professionals to coordinate activities related to production, quality testing, packaging and dispatch. An additional support network of renowned shipping agents and companies helps us deliver packages with absolute safety and high speed via road, nationwide.
