About Us

At Veena Polymers, we offer superior products to the Indian furniture market. We design and manufacture a world-class range of Edge Band Tapes. As a major in the industry, we are making high standards of quality, design and craftsmanship. Our innovative product line is applicable in the manufacture of furniture made of MDF, Plywood, and Particle board etc. Also, we bring forth PVC Edge Banding Tapes in assorted colors, widths and thicknesses. These are designed for versatility, simple use and long life.

Veena Polymers is a major company for PVC Edge Band Tapes and Masking Tapes. It is a preferred name in the industry, and recognized for global quality standards, broad product portfolio and cost-effectiveness. The company is committed to only quality products and best services. It has all the manufacturing facilities in house to meet the growing market needs. It delivers highly durable, innovative and multipurpose products. We offer the Metallic Edge Banding Tape, Edge Band Tape in solid matt color, wood grain, and other finishes. High Quality Masking Tapes are available with stronger adhesive having no residue and provide fast and strong application on the strongest paper. These are just perfect for making furniture for homes, offices, hotels, and commercial areas. With a vision to expand globally, our efficient team manages the business activity in a perfect way.
