

Microb'Z 1995
Anaerobic Bioculture - Powder
Bioculture For Septic Tank

Advantages:

- Reduces Odor, COD, BOD levels.
- Delivers clear treated water.
- Removes foul smell.
- Reduces the ammonia nitrogen generation.
- Reduces sludge generation.
- Promotes MLSS development.
- Can be used for domestic Septic tanks
- Handles shock loads.

Design: As recommended

Storage & Handling:

- Store in clean and dry place.
- Use PPEs while handling the material.

Shelf life: One year from date of mfg.

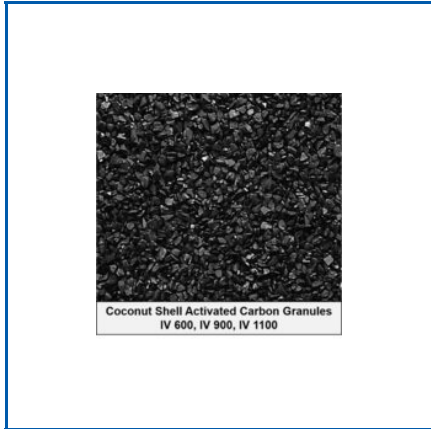

Manufactured By:
Bubble Chemicals
No.258, 1st Lane, Indira Nagar
Chennai - 600020, Tamil Nadu, India
(For Industrial Use Only)

Coconut shell based activated carbon pellets – Size 4 mm

WE OFFER A WIDE RANGE OF
POLY ALUMINIUM CHLORIDE, ACTIVATED CARBON PELLETS, ACTIVATED CARBON GRANULES, ACTIVATED CARBON POWDER, AND MORE.

Bioculture for Bio Toilets, Bioculture for ETP Aerobic, Bioculture for ETP Digester Anaerobic, Bioculture for STP, Bioculture for Septic Tank, Bioculture for Sewage Treatment Plants, Boiler Chemicals, Broad Spectrum Disinfectant, etc.

About Us

Providing quality across our product range and services is the primary goal of our 2015-established company, Bubble Chemicals. We are recognized as a trustworthy manufacturer and supplier of a broad range of Activated Carbon Powder, Activated Carbon Granules, Activated Carbon Pellets, Aluminium Chloride, and other chemical products used in varied industries. Our products stand out in terms of quality in the market. No similar product holds the same quality as ours, and no company offering the same products stands close to ours. Being in business for almost a decade has enabled us to better recognize the demands of our customers. Accordingly, with the help of our research and development team, we manufacture long-lasting and safe-to-use products. Thus, customers from every corner of our county praise and demand our products. We make use of reliable modes of transport and deliver the orders on time.

Located in Chennai (Tamil Nadu, India), we, Bubble Chemicals, are counted among the top manufacturing companies in the industry. We offer a wide range of Poly Aluminium Chloride, Activated Carbon Pellets, Activated Carbon Granules, Activated Carbon Powder, and more. The aforementioned products are manufactured in compliance with industry standards using the finest raw materials sourced from reliable vendors in the market. Each product has a longer shelf life, is non-hazardous, and is completely worthy. Customers from all over the country demand our products, and we are proud to state that we meet their requirements in the most sincere and timely manner. During the shipment process, we make sure that neither the quality of the products gets compromised nor the delivery of the order is late.

Key Facts

Nature of Business	Supplier
Primary Competitive Advantages	etp chemicals,stp chemicals,wastewater treatment chemical,ph booster chemical,activated carbon cylindrical pellet,disinfectant chemicals,broad spectrum disinfectant,broad spectrum biocide,cooling tower biocide,boiler water treatment chemicals
No of Staff	3
Year of Establishment	2015
OEM Service Provided	Yes
Monthly Production Capacity	50 Tons
Memberships	REGISTERED
ProductRange	etp chemicals,stp chemicals,wastewater treatment chemical,ph booster chemical,activated carbon cylindrical pellet,disinfectant chemicals,broad spectrum disinfectant,broad spectrum biocide,cooling tower biocide,boiler water treatment chemicals

Our Products

**Sodium Hypochlorite
12% Liquid**

Floor Cleaner

Bioculture For STP

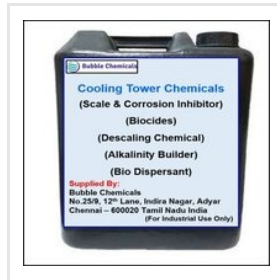

PH Booster

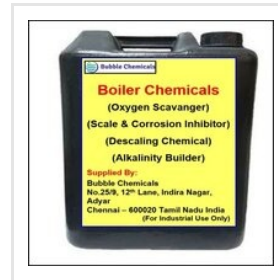

**Bioculture For Septic
Tank**

**Bioculture For Sewage
Treatment Plants**

**Cooling Tower
Chemicals**

Boiler Chemicals

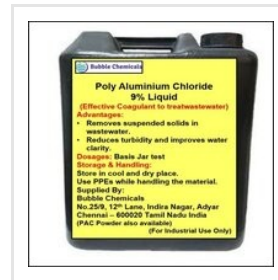

**Bioculture For ETP
Aerobic**

**Bioculture For ETP
Digester Anaerobic**

**Bioculture For Bio
Toilets**

**Poly Aluminium
Chloride 9% Liquid**

**Coconut shell based activated
carbon pellets - Size 4 mm**

**Coconut Shell
Activated Carbon**

RO Antiscalant

**Broad Spectrum
Disinfectant**

**RO Membrane
Cleaning Chemicals**

ADDRESS

**No.25/9, 12th Lane, Indira Nagar,
Adyar, Chennai, Tamil Nadu,
India (600020).**
