About Us

Established in 2008, Ocean Mosaic Pool LLP is a leading manufacturer, supplier and trader of high-quality swimming pool pumps, accessories, filtration systems and allied products. We have been in the industry for more than a decade now, providing clients with reliable and efficient products. Our commitment to customer satisfaction and innovation has made us a reliable organization in the swimming pool products industry. We offer a wide range of products, including Water Park Equipment, FRP Filtration Systems, FRP Sand Commercial Filter, Pool and Fountain LED Lights, Residential and Commercial Pool Pumps, Swimming Pool Equipment, etc. Our pumps and filtration equipment are designed to provide optimum water circulation and filtration, ensuring that pools remain clean and safe for swimming. In addition, we provide a variety of services such as Swimming Pool Construction, Water Park Contractor, Swimming Pool Filtration Services and many more.

We are an innovative company, engaged in working with new methods to improve our products and services. Our team of engineers and designers constantly look for innovative ways to improve the efficiency and functionality of our products. We use the latest technology and are equipped with advanced machinery to develop products that are highly functional, energy-efficient, eco-friendly, and easy to maintain.
