## About Us

The importance of quality based pigments and dyes in industries like paper, textile, cosmetics, plastic and more, is undeniable. Knowing the same, we at Maruti Dyechem, contribute our fair share in improving the growth of companies indulged in aforesaid sectors by providing A grade Basic Dyes, Acid Dyes, Pigment Powder and Disperse Dyes.

Our collection containing Basic Violet 10, Acid Black 194, Disperse Blue 366, Pigment Orange 13 and a host of other pigments and dyes is super effective. Our water based and water-soluble offerings are ideal for the production of fivers, shoes, paints, papers, and many more products. We are a manufacturer by nature and proud to serve as a member of campaigns such as Swachh Bharat Abhiyan and Make In India. Open to new challenges in the industry, we have built our own Research & Development facility. At this facility, our experts ensure latest technologies and techniques are founded for the production of better products. In Indian and International markets, our brand of dyes and pigments is trusted for high quality standards. Serving quality across the globe, we have strengthened our presence in Middle East Region Countries, South Asian Countries, USA & Central Americas.
