About Us

Established in 2012 in Faridabad, Haryana (India), Legend Elevator Industries Private Limited, has emerged as a well-recognized manufacturer and exporter of a comprehensive range of products like Hydraulic Dock Levelers, Overhead Crane, MS Industrial Automobile Car Lifts, Material Handling Lift and more. Backed by cutting-edge manufacturing facilities and a team of skilled professionals, we are a leading supplier of material handling systems across diverse industries. Our production unit is equipped with advanced machinery and precision measurement systems, enabling us to design and deliver customized solutions that meet the specific requirements of our clients.

We go beyond just manufacturing; we analyze, recommend, and deliver complete solutions through our sales, service, installation, training, and comprehensive parts support. We are committed to helping your business enhance efficiency and profitability. Our design team brings over 20 years of expertise in material handling solutions. Leveraging the industry-renowned Solid Age software, we create detailed computer-aided designs, allowing for pre-visualization of equipment before the manufacturing phase. This advanced capability helps us identify component interference during assembly and supports clients in optimizing plant layouts while preparing accurate job and shop floor drawings.

With a focus on innovation and quality, we have become a trusted name in the field of material handling equipment. Our brand, legend, enjoys strong recognition across key industries such as automobile & ancillary industries, pharmaceutical companies, food processing units, textile industries, consumer goods manufacturers, general manufacturing industries and more. Our operations are guided by the visionary leadership of our Proprietor, Mr. Jayveer Singh Gangwar, who plays a pivotal role in driving strategic growth and operational excellence. His dedication and leadership continually inspire the team to achieve organizational goals with passion and commitment.
