About Us

Established in the year 2015, we, Sun Shine Industries, are setting benchmarks in the industry by bringing forth an extensive range of cost-worthy industrial products. We are well-known as reliable manufacturers and suppliers in the market, fulfilling the requirements for Pneumatic Pouch Packaging Machines, Foil Sealer Machines, Soap Pouch Packaging Machines, Automatic Auger Filler Machines, and other products. Precisely engineered using the basic and the finest raw components sourced from authentic vendors in the market, each product is defined as a worthy investment. All our products are fluent in performance, anti-corrosive, and highly energy-efficient. Thus, for the aforementioned factors, they are in demand by customers all over the nation for fulfilling their different purposes, such as packaging, sealing, filling, and others.

However, considering that every customer has different sets of preferences and demands, we offer the aforementioned products in various technical specifications as per their necessities. Furthermore, before making the products available on the market, each of them is tested by our team of experienced specialists for quality on a series of quality parameters.
