## About Us

Late Mr. Dinesh T. Garg initiated Meeka Engineers in the year 1983. Throughout the years, the company achieved many milestones under this leadership and was converted to a private limited company in 1995 as Meeka Machinery Pvt. Ltd. Based in Ahmedabad, Gujarat; the company is handled by Mr. Bavin Garg and has acquired a position of reputed exporter, manufacturer and supplier of Material Handling Crane, Material Handling Hoist etc. Irrespective of any load, light or heavy, we are capable of offering suitable cranes for our clients specific requirements. Manufactured as per the IS and BS standards, our products are appreciated and highly demanded in the engineering consultancy house like Engineers India Ltd., RITES, COFMOW, JACOBS, MECON, TOYO, TATA, UDHE etc.

We are an ISO 9001:2000 accredited company with a well equipped work shop to help our employees manufacture products with utmost precision. The computer designing facility aids our engineers in making the necessary modifications to fulfil the changing needs of clients and market. While manufacturing, we make sure to comply with the relevant industry standards and norms, to ascertain our products exceptional performance, reliability and functionality. With our unmatched product range, we have acquired a vast client base in various parts of the country like Bangalore, North-East, Bhopal, Trichur, Gujarat, Maharashtra, etc. Apart from this, we are exporting our products to UAE and South Africa.
