About Us

We at Sai Steelrange Storage Systems were founded in 1996 and manufacture a variety of products, including Paint Coated Long Span Rack, Pigeon Hole Storage Cabinet, File Storage Compactor System, Staff Storage Locker, etc. Excellent grade raw materials sourced from trustworthy market vendors are used in the manufacturing of our items. To create a superb assortment of industrial products, our highly skilled and experienced workers use cutting edge machinery and processes. Our product line has excellent ratings for functionality, durability, efficiency, performance, and construction.

Mr. Raghunath Rajaram Sawant, our mentor, has always led us to achieve great achievement. We have been able to establish ourselves in this fiercely competitive sector because of his stellar academic background and extensive experience in this field.
