About Us

Regardless of crops and plants that you wish to cultivate, Plant Growth Promoter, Insecticides, Fungicides and other Agriculture Chemical introduced by Greenwell Biotech should be a part of your crop management and protection programme. As a thriving manufacturing & wholesaling business from Rajkot in Gujarat, our aim is shaping the agriculture industry of India by boosting yield of farmers and thereby the productivity of consumers. Following this strategy, we do what proves to be the best for the ecology, society as well as the Indian economy.

We follow a spirit of innovation in all practices, meaning we are always looking for better ways to formulate better products. We work hard to introduce solutions that are advanced, effective and do not pose any environmental hazards.
