

we offer

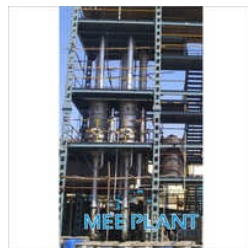

Industrial Dryers, Plant & Machinery, Air Dryers, Dairy Products Machinery, Vacuum Equipment & System

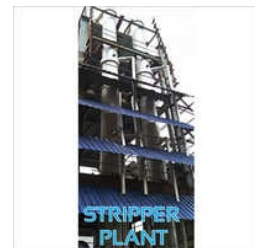

ATFD (Agitated Thin Film Dryer), ATFD System, Agitated Thin Film Dryer, Agitated Thin Film Dryer Plant, Automatic Evaporator Plant For Pharmaceutical Industries, Automatic Multiple-Effect Vacuum Evaporator, Copper Tube Condenser, Direct Contact Type Condenser, Evaporator Plant For Pesticide Industries, etc.

AGITATED THIN FILM DRYER PLANT MULTI EFFECT EVAPORATOR PLANT

MULTI EFFECT EVAPORATOR PLANT

STRIPPER PLANT

About Us

Technology has done wonders as it has simplified many tasks and made human life much more comfortable than ever before. Our company, Rototech Engineering Systems, is one such enterprise that uses modern engineering to develop a wide range of products. We are a quality-driven manufacturer and supplier of assortment comprising Zero Liquid Discharge Plant, Spray Dryer Plant, Stripper Plant, Industrial Evaporator Plant, Multiple Effect Evaporator, Multi Effect Evaporator Plant, etc. We are serving customers by offering cost-effective solutions that helps them to save water and become a responsible entity.

All our teams including research and development, design and manufacturing, quality testing, sales and marketing, etc., carry out their task with great care. The norms of the respective industry laid by the government as well as autonomous bodies are being followed by our company. We abide by all the laws and make sure to pay all the dues on time. Apart from this, our customer support team takes feedback from the esteemed clients to ensure they are 100% satisfied. Trusting us can be the best choice for customers to have business deals.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	chemical strippers,spray drying system,multi effect evaporators,
No of Staff	26
Year of Establishment	2009
OEM Service Provided	No
ProductRange	chemical strippers,spray drying system,multi effect evaporators,

Our Products

Multiple Effect Evaporator For Pharma

Salt Recovery Evaporation Plant

Multiple Effect Evaporation System

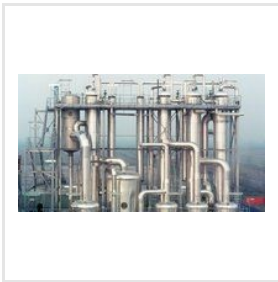

Forced Circulation Evaporators

Spray Dryer Plant For Effluent

Zero Liquid Discharge Plant

Multiple-Effect Vacuum Evaporator

Natural Circulation Evaporators

Evaporator Plant For Pesticide Industries

Evaporator Plant For Pharmaceutical

Falling Film Evaporator

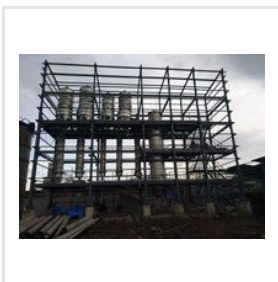

Plate Type Evaporator

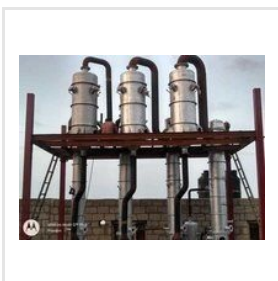

Multiple Effect Evaporator Plant For

Spray Dryer Plant

Multiple Effect Evaporation Plant

Automatic Evaporator Plant For
