About Us

Euro Biotech is running its business from Chandigarh, India and laid the foundation in the year 2006. Being a young company, we have been able to carve a niche as a trustworthy Manufacturer and Exporter of pharmaceutical industry. The medicinal products in which we are dealing includes Antibiotic Drugs, Anti Allergic Drugs, Antifungal Formulations, Antihistamines Drug, Cardiac Tablets, Cloxacillin Tablet and many more. All these drugs are found their usage in medical institutes, chemists shops, public health centers, hospitals, medical centers, dispensaries, clinics and other similar places.

Euro Biotech is a well recognized name of the pharmaceutical industry which started operating the business in the year 2006. The main reason behind our enhanced brand reputation is the hard work and sincere efforts put by us. We have been engaged as a credible Manufacturer and Exporter of Diabetic Tablets, Divalproex Sod, Duloxetine, Ear Drops, Escitalopram Oxalate Tablets, Eye Drops and many more. Offered Diabetic Tablets helps in treating diabetic patients by lowering down the level of glucose presented in the body. Besides, the whole assortment in air tight packaging material which protects our drugs from dust particles and from being adulterated. Also, by packing our pharma products in top quality packaging sheets retains their chemical properties for longer time duration.
