About Us

Utkarsh Scientific Instruments Suppliers is an advanced measurement and control instrument manufacturer and supplier that offers conducting Conductivity Controllers, Electromagnetic Flow Meters, PH Meters, TDS Indicators, etc. Strong commitment to quality and precision ensures products match the highest standards in the industry to meet requirements for varied applications in water treatment, chemical processing, and industrial automation. With a strong manufacturing facility, we harness technology and innovative design in the provision of tools that enhance operational efficiency and accuracy. Moreover, we boast an approach to our customers with customer-centric solutions tailor-made to requirements and still offer phenomenal services and support throughout the product life-cycle.

Utkarsh Scientific Instruments Suppliers is located in Pune, Maharashtra, India and has been offering products like Glass Body PH Sensor, Flame Proof PH Meter, Electromagnetic Flow Meter, Online PH Indicator, etc. Established with a vision to innovate and excel in the field of industrial instrumentation, we leverage state-of-the-art technology and rigorous quality control processes to deliver reliable and accurate solutions tailored to diverse applications. Our experienced team of engineers and technicians is dedicated to continuous improvement and innovation, ensuring that our products not only meet but exceed industry standards.
