About Us

Footwear is the most essential thing, it protects feet from dust, debris and many other harmful particles and also enhances the personality of the wearer. With the vision to become the leading manufacturer in the footwear industry, Major Footwear Pvt. Ltd. was initiated by Mr. Mahesh Seswani. The company has various categories of footwear in its portfolio like Standard School Shoes, Boys School Shoes, Men's Canvas Shoes, Men's Casual Shoes and many more. The company is supported by the dedicated team of employees, because of their efforts, we are having excellent productivity. Sincerity, professionalism and discipline of our personnel is regularly measured by our company to attain a new height of success in the footwear manufacturing sector.

The fashion trends changes rapidly in the footwear industry and our personnel keep themselves updated with the same so that we deliver the best range. Believing that team work is very crucial in order to achieve success, we ensure to maintain this environment. Company has made its place in list of several customers because they believe in us and our products, from many years.

Company is working on the expansion of the business as it has many branches all over the country. We are aided with the latest machinery, tools and equipment that enable us in making several types of footwear. As we have come through the journey of 15 years to stay up in the market, we well understand that it is important to bring changes in our product so we regularly employ creativity factor. The design of product matters a lot to bear the competitiveness specially in the footwear market, and we with creative efforts of our people are regularly launching products in new designs.
