

Healthcare That Cares.

**Affordable Medicines at
Affordable Prices**

ABOUT US

Welcome Healthcare is situated in Mumbai, India with an experience of over 5 decades into the Pharmaceutical industry. We have been able to build a wide network of suppliers and manufacturers all over the world.

We also offer merchant and parallel exports for pharmaceutical products which are hard to find or in shortage from reputed Indian & MNE manufacturers at competitive prices. Our range is quality tested on various parameters such as composition, hygiene, purity and many more so that quality product is delivered to the end customer.
