About Us

Floroxi Pumps & Engineering is a renowned name in the leagues of manufacturers and suppliers of pump industry. Our company deals in Single Screw Pumps, Progressive Cavity Single Screw Pumps, Rotor Stator Pumps, and many more types of pumps. We have been in this profession since 2010 and have served many clients from different ends. Our collection has wide range of pumps with different specifications; customers can choose according to their business requirements. We assure that pumps which we sell to our clients are efficient, have excellent suction capacity, require lower maintenance and make no or low noise. There is a unit of experienced and proficient professionals in our firm that designs and manufactures pumps that fit into the requirements of several industries. Our company is also famous in the pumps industry of Uttar Pradesh for its creditability, reliability and commitments.

Our company, Floroxi Pumps & Engineering, started eight years back in 2010 and has touched heights of success under the leadership of Mr. Jay Chandra Sharma. We, at our Kanpur, Uttar Pradesh based company have dedicated employees, who work unitedly for manufacturing and supplying pumps in wide variety. Our range of products includes Progressive Cavity Pumps, Screw Pumps, High Viscous Liquids Pumps, Abrasive Materials Pumping Pumps, Soya Sauce Pumps, etc. We assure our customers that our products won't disappoint them and will meet all the expectations related to performance and efficiency. So, instead of buying pumps at higher cost and of low quality, get in touch with us as we offer the best value for your money. Give us a chance to serve you, we promise that we won't let you down.
