## About Us

PMH Solutions Private Limited is a leading provider of innovative packaging and manufacturing solutions, specializing in vacuum forming and injection molding technologies. Established in 2015 and headquartered in Greater Noida, Uttar Pradesh, India, we have built a decade of expertise in delivering high-quality, customized products to meet the evolving demands of diverse industries. Our commitment to excellence has enabled us to establish a sterling reputation, particularly in serving the automobile and paint sectors with precision-engineered solutions that enhance efficiency and reliability.

With a global presence and a focus on turnkey packaging, we cater to both large-scale enterprises and smaller businesses, offering flexible production runs to ensure seamless integration into our clients operations. Our state-of-the-art facilities, equipped with advanced machinery, produce over 100,000 high-quality products monthly, underscoring our capability to scale and innovate.
