About Us

Fibrolast Composites LLP is an ISO 9001:2015 certified company in the markets for manhole covers and FRP items. We are a new company with unique product designing ideas and quality control approaches to set benchmarks in the domain. As a manufacturer, we put in sincere efforts to develop and meet the maximum number of market demands for Circular Manhole Cover, Rectangular Manhole Cover, Recessed Manhole Cover, Square Manhole Cover, Underground Tank Cover, Water Gully Cover, FRP Molded Gratings, and many other products. We carefully manufacture offered entire product-line by using high quality concrete, moulds, and cutting-edge techniques. Our covers are extensively praised for their lightweight, resistance to extreme temperature, longer service life (minimum 30 years), appealing aesthetic, anti-skid surface, and many other striking features.

Our eminent Fibrolast Group has been serving the construction and industrial supplies sector for over 15 years. We work with a commitment to innovation, quality, and customer satisfaction to meet the diverse requirements of customers.
