About Us

We at Singhal Fibers & Water Proofing Solution have aspirations of setting new benchmarks as a manufacturer and service provider for water management & proofing solutions in India. Through our technically advanced facilities and work strategies, we are providing enhanced solutions to the customers in rural and urban areas. Our sole intention is to reach out and serve as many required individuals as possible who seek for excellent servicing at reasonable prices. The range which we are bringing for them contains Water Tanker, Tipper Hopper, Indian Toilet Seat, Wheelbarrow, FRP Bio Toilet, MS Dustbin and more items. Along with this, we are offering FRP Lining Services that are rendered by our team of trained professionals.

We initiated our corporation, Singhal Fibers & Water Proofing Solution in the year 2016 to serve the domestic and national regions with enhanced products & services for water management. Our company provides the most advanced solutions in the entire domain through innovative and creative work strategies. For our unmatched quality of work, a large number of customers are getting associated with us for a long-lasting period of time. Based in Rudrapur (Uttarakhand, India), all we seek for is the absolute fulfillment of our prestigious customers through our offerings including Indian Toilet Seat, FRP Bio Toilet, Tipper Hopper, Water Tanker, Wheelbarrow, MS Dustbin and more.
