## About Us

**Rulhan Dairy Farms** stands among the reliable **Traders and Suppliers** of a healthy and sound variety of different types of cattle. We have been offering a vast range of **Indian Hf Cow, Sahiwal Cow, Cross Sahiwal Cow, Holstein Friesian Cow, Murrah Buffalo, Rathi Cow, Kankrej Cow, Indigenous Sahiwal Cow, HF Heifer, HF Bull, Murrah Bull**, etc. We are engaged in offering a huge range of cattle in different sexes, age groups with different milk producing capacity as well as breeds. Being a patron centric firm, we are committed to provide the best and quality solutions to the clients sourced from the dependable cattle farms. With strong business alliance with reputed farms, we have been offering pure and healthy breed of cattle. In addition to this, we also ensure that the cattle are thoroughly vaccinated from the expert veterinary doctors to avoid any infection.

For keeping cattle like Indian Hf Cow, HF Cow, Murrah Buffalo, Rathi Cow, Kankrej Cow, Sahiwal Cow, etc in safe and hygienic environment, we have developed a well equipped and hygienic farmland. The farm is located over a huge area with all the facilities to provide a favorable environment to the cattle. Moreover, we have also developed different sections for varied cattle activities such as bath, feeding, sleeping, health check-ups, and so on. The farm is managed by experienced professionals with full greenery to provide a quality environment to the cows and buffaloes for grazing healthy as well as fresh food.
