About Us

In almost every industrial application, there is a requirement for technically advanced products which our company, Pinnacle Automations recognized. Since the incorporation of our company in the year 2015, we have been a highly recognized manufacturer, supplier and trader of various technologically advanced products. We have installed high-tech machinery & equipment in our facilities using which we manufacture an advanced range of goods including Volumetric Liquid Filling Machine, Progressing Cavity Pump, Motorized Conveyor System, Epoxy Casting Vacuum Chamber, Polyurethane Foam Machine, Pad Printing Machine, and many others. We also have a team of experts which tests all manufactured products as per the highest quality norms. In addition, we ensure that the pricing of our high-end products is kept nominal so that most customers can easily afford them.

With the help of our continuous research, we, Pinnacle Automations have been researching the latest technical advancements and applying them to the production of innovative range of goods. We have our infrastructural facility situated in the city of Bhosari, Maharashtra, India, where we manufacture the highest quality products. Raw materials for our manufacturing process are provided by the most dependable and well-known vendors of the market. Our entire product range which includes Material Handling System, Mini Pleating Machine, Drum Press Dispenser, Automatic Heating Oven, Plastic Static Mixer, Piercing SPM Machine, and others, is precisely tested after the production process. In addition we ensure that orders of customers are delivered to them as quickly as possible.

Key Facts

No of Staff	5
Year of Establishment	2015
OEM Service Provided	No

Our Products

Wax Jewellery Resin 3d Printer

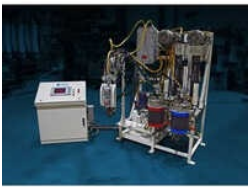

Robotic Glue Dispensing Machine

Electric Epoxy Dispenser Machine

Epoxy Dispensing For Filament Winding

PU Machine For Air Filter

EV Battery Pack Epoxy Dispensing Machine

6kw PU Foam Machine

Epoxy Resin Mixing And Pouring Plant

Three Phase Automatic Dosing Unit

Low Pressure Polyurethane Foaming

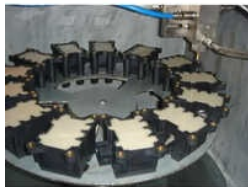

SS Drum Epoxy Dispenser Machine

600mm MD-600 Pro 3D Printer

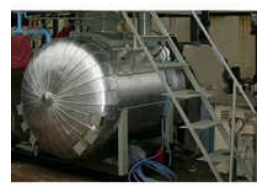

Epoxy Dispensing Machine For Battery

Vacuum Resin Dispensing Machine

Ender 3 V2 Creality 3D Printer

Epoxy Casting Vacuum Chamber

ADDRESS

Plot No 29/1, Block No D II,
Chinchwad, Pune, Bhosari,
Maharashtra, India (411019).
