About Us

Shri Balaji Labels was started in 2011 to meet the market requirements for various types of stickers, labels, printers, scanners, and many other products in this industry. We have constantly worked hard, and that has made us a renowned manufacturer, supplier, and trader in this competitive market. We cater to the market demands for high-quality Plain Barcode Labels, Black Barcode Ribbon, Die Cut Sticker, Paper Roll, Barcode Shipping Label, Self Adhesive Stickers, and RFID Label. In addition, we meet market demands for Inventory Management System, Metrologic Handheld Data Collection Terminal, Zebra ZXP Wireless Card Printer, Linear Laser Barcode Scanner, and many other products. We are known in the market for our quality products, excellent policies, and ethical work practices. We run our operations with clarity in mind, which offers us excellent results in all our tasks. Our labels, stickers, ribbon, and paper rolls are extensively praised for their printability, smooth surface, tear resistance, and splendid finishing. We are regularly gaining the loyalty of numerous customers by providing them with high-performing, low maintenance, and efficient scanners, printers, and many other products.

As we are focused on providing the best quality, we carefully add every item to our portfolio. At our premises, products are made as per international quality standards to have the desired perfection and striking features. Our company also procures and sells products from many reputed brands, such as TSC, Printronix, Symbol, Argox, Metrologic, Honeywell, etc. We also delight customers by providing them with solutions for Barcoding Job Work, Annual Maintenance and Repairing Services. Under the leadership of our mentors, Mr. Vinay Goyal and Mr. Ravindran R. Nair, we are attaining immense growth and success in the market.
