About Us

A. R. EXIMP CORPORATION is a reputable manufacturer and supplier of high-quality yarn products for the textile sector. Having years of experience in this business, we are dedicated to providing excellent yarn solutions that suit the various requirements of our clients. Our products include Warp Thread Cotton Yarn, Cotton Hank Gassed Mercerised Cone Yarn, Cotton Gassed Mercerized Hank Yarn, among others, each highly polished and detailed. We recognize the value of quality in the manufacture of textiles. Our Warp Thread Cotton Yarn is engineered to deliver superior strength and durability for use in weaving purposes. The Cotton Hank Gassed Mercerised Cone Yarn undergoes meticulous processing to bring out its luster, smoothness, and dye absorption capability, which results in rich and uniform color in fabric creation. Likewise, our Cotton Gassed Mercerized Hank Yarn is a favorite among manufacturers of high-quality fabrics, providing enhanced strength and better appearance.

We take pride in using the best cotton fibers and cutting-edge manufacturing processes to create yarns that are up to international standards. Our products are renowned for their superior quality, dependability, and consistency, and are in great demand in a wide range of textile applications such as weaving, knitting, and garment manufacturing.
