About Us

In the last twelve years, we, Rachana Glass Inc, have made a distinguishing name in the glass industry and have set up new milestones as manufacturer. Our offered range of glasses like Toughened Glass, Toughened Railing Glass, Back Painted Glass, Bend Glass, Decorative Mirror, Double Glazed Unit Glass are not just known for world-class quality but also for the wide applications. These glasses are made using the most advanced quality glasses and modern manufacturing machinery via thermal tempering, heating and allied processes to give it the desired shape, size and structure.

Glasses like toughened glasses are the strongest glass material and are of exceptional quality. Due to its strength and break resistant properties it is used to make variety of products like refrigerator trays, shower doors, architectural glass doors, tables, mobile screen protectors, cookware and many other items. Keeping in mind the wide use of toughened and all other glasses in the industrial and commercial sector we produce the assortment in bulk quantities.
