About Us

We have successfully cemented the name of our company, Trutech Products, amongst the leading firms in global markets providing solutions for an extensive range of transformers and associated products. Established in the year 1997, our firm has been proficiently fulfilling the rising demands of companies and individuals from diverse sectors for high-performance, energy efficient and cost effective transformers. As a manufacturer & exporter, the assortment which we have been supplying includes Electrical Power Transformer, Rectifier Transformer, Three Phase Transformer, Variable Auto Transformer, Resistive Load Bank, Variac Transformers, AC Chokes and more items.

Under the visionary leadership of Mr. Mukesh Tolani, we have received significant growth in the global marketplace. We have grown to become a distinguished entity among our contemporaries, who offer a reliable series of transformers. Besides Indian markets including Pune, Mumbai, Thane, Delhi, Nashik, Gujarat, Punjab and more, we are also supplying our products in the international market like Angola, Algeria, Indonesia, Libya and Dubai and so on.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	electrical load bank,transformers,
No of Staff	25
Year of Establishment	1997
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	As Per Order
ProductRange	electrical load bank,transformers,

Our Products

3 Phase Auto Transformer

Three Phase Isolation Transformer

20 KVA Step Down Transformer

Single Phase 1kVA Step Down Transformer

25 KVA Step Down Transformer

Electrical Power Transformer

7.5 KVA Step Down Transformer

3 Phase 15kVA Step Down Transformer

Single Phase Control Transformer

Isolation Electric Transformer

Three Phase Control Transformer

Industrial Voltage Transformer

Single Phase Isolation Transformer

Three Phase Transformer

Variable Auto Transformer

Electric Variable Transformer
