About Us

When it comes to making gardens more attractive, all we think about is flowers and plants. Although, it is important to add greenery to the outdoor space but one of the most overlooked parameters to make a garden the place to spend time during summer evening feeling the fresh summer breeze is equipping it with some outdoor furniture. Considering the importance of furniture to the outdoor space, we, Gurudas Crafts began crafting furniture for gardens that would leave the owners and the visitors awestruck. Outdoor Garden Umbrella, Outdoor Bar Dining Set, Wicker Dining Table Set, Wicker Sun Bed and Outdoor Wicker Chair are some of our intricately designed pieces of outdoor furniture that we offer to our clients.

Moreover, it is because of the modern look, aesthetic feel and unmatched quality that makes our furniture the best in the furniture industry. For the same reason, we have established a large client base and many of our clients are from the reputed resorts, hotels and restaurants of our country. Our excellence in crafting different kinds of outdoor furniture has made us earn a good reputation as manufacturer in the market.
