About Us

Established in 2014, we, **STICKWELL ADHESIVE TAPES** are a progressive company involved in production of a large variety of products including **Self-adhesive BOPP Tapes, Colored BOPP Tapes, Printed BOPP Tapes, Polyester Tapes, Double Side Polyester Red Liner, PVC Electrical Insulation Tapes, Masking Tapes, Double Side Cloth Tapes** and many others. We have earned a tremendous respect in the industry for our superior quality products, ethical business policies and prompt services. As a reputed manufacturer, exporter, supplier and trader, we offer our clients with highest quality products. All of our products are properly examined before being finalized for dispatch.

We have recruited a group of experienced professionals for managing various segments of business and obligations in our association. These people are experts with their insight levels, experience and disposition, and are made a part of our group after rigorous screening. We endeavor to give our staff a workplace that is congenial and therefore guarantees that they can perform to the best of their capacities. We urge them to stay overhauled with the most advanced business segment happenings and create opportunities to upgrade their abilities. As an exporter we ensure a total quality assurance of our products including proper packaging and timely dispatching.

Operating from Vadodara, Gujarat (India), we, **STICKWELL ADHESIVE TAPES** are a renowned company working in the industry since 2014. Within a short span of time we have earned a great reputation in the market for being a trusted manufacturer, exporter, supplier, and trader. We supply our customers with variety of products including Self-adhesive BOPP Tapes, Colored BOPP Tapes, Printed BOPP Tapes, Polyester Tapes, Double Side Polyester Red Liner, PVC Electrical Insulation Tapes, Masking Tapes, Double Side Cloth Tapes and others. We have a large infrastructural facility along with a talented staff. Our team of professionals helps us to produce the highest quality materials.

Our Infrastructural Facility

We are honored by the support of a talented team and are fortunate to have built a large infrastructural facility within a small period of time. Our facility features complete operational efficiency and is manned by qualified supervisors. We offer predominant quality items due to our present day framework and also our talented workforce who has the experience and the ability to use resources efficiently. Our production group is directed by a group of managers, designers, specialists and machine administrators who are knowledgeable in their individual area.
