

## FUME EXTRACTOR

Quality Of Our Products, Speaks On Our Behalf

Clean Room Air Filtration, Clean Rooms HVAC System, Electrostatic Air Cleaners, Fume Extraction Systems, Industrial Dry Scrubber, Industrial Fume Extractor Systems, Industrial Welding Fume Extractor, Mobile Fume Extraction Systems, Oil Mist Collector System, Oil Mist Eliminator, Oil Mist Extraction System, Oil Mist Separator, Portable Fume Extractor, Portable Welding Fume Extractor, Solder Fume Extractor, etc.

**INDUSTRIAL DUST COLLECTION SYSTEM**

**INDUSTRIAL ELECTROSTATIC PRECIPITATION**

**OIL MIST EXTRACTION SYSTEM FOR EDM MACHINES**

## About Us

FilterON India Private Ltd. takes pride in being one of the top manufacturers of pollution control and air filtering equipment. We supply Solder Fume Extractor, Soldering & Laser Marking Machine, Fume Extractor for Robotic Weld Cells, Dust Extraction Solutions For Laser & Plasma Cutting Machines, and Oil Mist Collector For CNC Gear Cutting & Hobbing Machines. We are also famous for providing reliable Downdraft Table For Manual Grinding Or Buffing, Melting & Heat Treatment Fumes Extraction Solutions, Kitchen Fumes Filtration, Electrostatic Precipitator, and many other products.

In 1983, our company was formed by Mr. V. D. Ghorpade and since then has grown in terms of technology, applications, geographic markets served, product selection, industries catered to, internal infrastructure, etc. We hold a prestigious position to be a reliable clean air partner, rapidly expanding our presence in Indian industries. We offer complete solutions for air filtration systems in the commercial and industrial domains. We are the leaders in India when it comes to offering effective air filtration solutions based on wet scrubber, cartridge, and electrostatic precipitation technologies. In the metallurgy sector, we have installed more than 5,000 installations, and in commercial kitchens, more than 2,000 installations.

**Key Facts**

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	electrostatic filter,welding fume extractor,fume extractor,kitchen dry scrubber,solder fumes extractor,portable fume extractor,fumes extraction system,fume absorber,fume collectors,mist collector
<b>No of Staff</b>	15
<b>Year of Establishment</b>	1990
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	electrostatic filter,welding fume extractor,fume extractor,kitchen dry scrubber,solder fumes extractor,portable fume extractor,fumes extraction system,fume absorber,fume collectors,mist collector

## Our Products

**Fume Extraction Solutions For Laser**

**Dust Extraction System For Laser Cutting And**

**Oil Mist Extraction System For CNC**

**Oil Mist Extraction System For Pilger Mills**

**Melting And Heat Treatment Fumes**

**Fumes Extraction System For Gauging**

**Fumes Extraction System For Oil**

**Dust Extraction Solutions For Grinding**

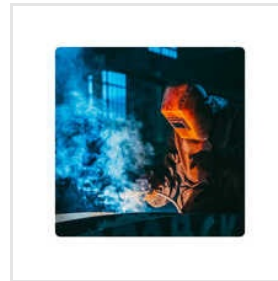

**Oil Mist Extraction System For Cold**

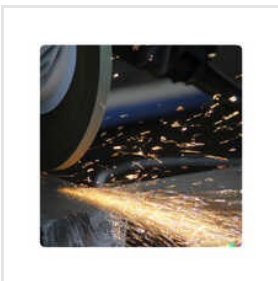

**Oil Mist Extraction System For Ball Point**

**Oil Mist Extraction Solutions For CNC 5**

**Welding Extraction System**

**Grinding And Buffing Fume Extraction**

**Fumes Extraction System For Manual**

**HMC And VMCs Oil Mist Extraction Solutions**

**CNC Machining Fumes And Mist Extractions**

Healthy Air. Healthy Profits.
