About Us

Situated in Bhavnagar, Gujarat, India, we, Shiv Shakti Minerals, are a reputed manufacturer of Bentonite Powder, Bentonite Granules and Bio Granules that are precisely formulated as per the industry standards. We use modern and unique formulation technology, maintain consistent quality during production and at later stages, which gives us an edge over our competitors in the field. Throughout our business journey, we have always stayed committed to our quality promise. As per this, we remain vigilant when it comes to quality, and stringently examine products. Our team of quality controllers evaluate products on certain set industry parameters and guidelines before making the final delivery at clients end. We offer our products in hygienic packaging too in order retain optimum quality and effectiveness.

We are working with the mission of providing the best ecofriendly minerals and associated services to our highly esteemed customers. Also, remaining dedicated and responsible towards our organization and customers, we stress on maintaining transparent trade deals.
