## About US

We, Sewak International began our business in 2014 from the headquarter located in Panipat, Haryana, India. Today, we are a noteworthy manufacturer and supplier of Antelope Fabric for Sofas and Woven Fabric for Sofas. Our products are renowned among clients for their striking features such as durability, high comfort, stain resistance, and non-allergic surface. Our products are available in various colours, designs and at an affordable price range. Our products are highly demanding and with growing business, we cater to a large clientele who seek high-quality fabrics for fabricating sofas.

We are working with dedication to achieve the optimal success rate in the industry. Our success is evident from our annual turnover of INR 5 Crore, which is a clear indication of the increasing growth chart. It also signifies our expanding customer base as well as market share.

The production unit is our lifeblood, which is fully equipped with modern machinery and tools. It helps in fast production and exhibits less error in production. Emphasizing precision and finesse, our skilled artisans craft the fabrics with the utmost care, ensuring the high comfort and durability of the covers made using them.

## Quality Assurance

We understand the significance of offering fabrics that not only elevate the aesthetics of sofas but also endure the test of time. We have employed some of the best quality analysts who inspect every stage of the production as well as conduct different post-production quality inspections. From sourcing premium materials to the final inspection, we leave no stone unturned in maintaining superior quality standards. This meticulous approach has solidified our position as a trusted choice for clients seeking reliable and long-lasting fabrics.
