About Us

Syn Auto Solutions Pvt. Ltd. is a private limited company registered under Indian Companies Act 2013, dedicated to designing, developing and supplying surveillance equipment, industrial machinery, automobile electrical components and electronic devices. Each of the machine and device we, as a manufacturer & supplier, make is available in diversified specifications and designs. Auto Fare Meter, Digital Taxi Fare Meter, Vehicle Speed Governor, Vehicle Speed Limiter, GPRS Tracking Device, Vehicle Tracking System are engineered to meet the criteria of the automotive industry. Our range of speed governors, including Fuel Type Speed Governor, Cable Type Speed Governor and Fly By Wire Speed Governor are designed for accurate measure and to regulate engine's speed. The top speed of cars, trucks and public service vehicles can be limited with the aforesaid devices. The surveillance equipment category includes CCTV Cameras designed to secure premise and assets against burglary.

Syn Auto Solutions Pvt. Ltd. marked five years of presence in the year 2013. Headquartered in Gurgaon city in the Indian state of Haryana, our private limited company engineers a range of auto electronic devices, surveillance devices and industrial machinery, such as Digital Taxi Fare Meter, CCTV Camera, GPRS Tracking Device and Cable Type Speed Governor. All products are delivered to customers through road transportation. Our logistics team is trained to find the best and shortest route to customers. Licensed drivers can travel to nearby as well as far-flung areas of the country to deliver the products to the doorsteps of customers.
