About Us

Our company, Smooth Flowmeters, has gained significant recognition in the field of instrumentation due to its excellent products and post-sales support. The extensive knowledge of our company and expertise have garnered the trust of customers. Building upon this confidence in our services, we have made the strategic decision to venture into this business. Our offered products include items like Inline Turbine Flow Meter, Hydraulic Turbine Flow Meter, Sanitary Turbine Flow Meter, Electromagnetic Flow Meter, Kracht Flow Meter, EPO Signal Russia Flow Meter, and more. Today, we are known in the market as one of the leading manufacturers, suppliers, traders, and distributors of the above mentioned products. Over the years, we have worked with many reputed clients such as SAIL, DRDO, JSW, Jindal Steel and Power, Aditya Birla, etc. The industries we serve include the chemical industry, the food industry, the oil and gas industry, the pharmaceutical industry, and more.

At our company, customer satisfaction is our top priority. We understand that happy customers are the backbone of any successful business. That is why we go above and beyond to ensure that our clients are not just satisfied, but delighted with our products and services. From the moment they engage with us, we strive to provide a seamless and personalized experience. Our dedicated team of experts is always available to address any concerns and provide prompt solutions. We believe in building strong relationships with our customers, actively listening to their feedback, and continuously improving our products to exceed their expectations.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	turbine flowmeter
No of Staff	8
Year of Establishment	2014
No of Production Lines	2
OEM Service Provided	Yes
Monthly Production Capacity	as per order based
ProductRange	turbine flowmeter

Our Products

**EMIS-MASS 260
Integral Mass Flow**

**EPO Signal Pressure
Transducers**

**Hydraulic Turbine Flow
Meter**

**Inline Turbine Flow
Meter**

**FRTD -7000 Low Cost
Flow Indicator**

**EMIS-VIHR 200 Vortex
Flow Meter**

**KRACHT SVC Series
Screw Type Flow Meter**

**Electromagnetic Flow
Meter**

**FRT-7000 Flow Rate
Indicator**

**UFT 9000 Meter
Mounted Battery**

**EPO SIGNAL Ultrasonic
Gas Flow Meter**

**Sanitary Turbine Flow
Meter**
