Ready To Use Solutions

for Faster, Stronger Construction

AAC Block

AAC Blocks are lightweight, durable, and thermally efficient—perfect for faster construction and energy-saving walls. Their smooth finish and precision reduce plastering and jointing costs, making them a smart choice for modern building projects.

Dimension :- 600x200x100/150/200/225mm

Thickness :- 4/6/8/9 inch

Grade :- Greater than 4.0N/mm²

Coverage :- Depending on the size

Color :- Grey

AAC Block Jointing Mortar

Normally, 35-40 Kg Of Adhesive Is Required For Mounting One Cubic Meter AAC Block In 2-3mm Thick Mortar. Coverage Is Based On Smoothness And Evenness Of The AAC Blocks.

Suitable Blocks

- Aerated Light Weight Blocks
- Concrete Hollow Blocks
- Concrete Blocks
- Cellular Concrete Blocks
- Cement Mortar Blocks/bricks
- Fly Ash Bricks

Ready Mix Solutions

Tile Adhesive

Our Tile adhesive is a specialized bonding agent that is used for fixing tiles on walls, floors, and other surfaces. It is a cement-based polymer modified material that provides strong and durable bond between the tiles and the surface.

Features

- Strong and Durable Bond
- Easy to Apply
- Time-Saving
- Water-Resistant
- Versatile

Hiscon Ready Mix Plaster

Hiscon ready mix plaster makes the mason's job simple - zero on-site mixing hassles or quality concerns. Trusted by construction houses, our plaster is a ready mix, sand-cement based polymer modified plaster.

Features

- 1) Convenient to apply
- 2) Saves Labor cost and time of upto 30%
- 3) Needs less curing and binds better to substrate.
- 4) Uniform and smooth finish to walls

Flyash Bricks

These bricks offer excellent strength, thermal insulation, and eco-friendly construction benefits.

Dimension :- 230x110x70mm & 190x90x90mm

Thickness :- 70/90mm

Grade :- M-10, M-15

Coverage :- 500 Pcs/M³ | 600Pcs/M³

Color :- Grey

Solid Block

Perfect for load-bearing structures, solid blocks provide high durability, sound insulation, and faster construction.

Dimension :- 300x200x150mm

Thickness :- 150mm

Grade :- M-10, M-15

Coverage :- 100Pcs/M³

Color :- Grey

Kerb Stone

Ideal for roads and pathways, kerb stones give a neat edge finish while withstanding heavy wear and tear.

Dimension :- 300x300x75/100/150mm
400x300x150mm
450x300x150/100mm

Thickness :- 75/100/150mm

Grade :- M-15, M-20, M-25

Coverage :- 3.25 Pcs/R.M

Colour :- Grey

Concrete Drain Saucer

Designed for smooth water flow and long-term durability, these saucers are essential for effective drainage systems.

Dimension :- 300x200x100mm
& Other sizes available.

Thickness :- 100mm

Grade :- M-30

SFRC Cover

Steel fibre reinforcement makes these covers strong, safe, and suitable for heavy-duty applications in urban spaces.

Different Sizes Available
(As per requirement)

Breeze Block / Jaali

Our breeze blocks are customizable and can be used in indoor partition and facades.

Dimension :- 200x200mm

Thickness :- 60mm

Other sizes available.

Concrete Rectangular Cover Block

Cover Block is essentially a spacer that is used to lift the rebar mesh off the ground so that concrete may flow under the rebar.

Sand

M-Sand

Manufactured sand (M-Sand) is a substitute of river sand for Concrete construction and Masonry Work . Manufactured sand is produced from Hard granite stone by crushing it in VSI. The crushed sand is of cubical shape with round edges. Then it is washed and Graded as per requirement. The M-Sand is produced as per is specification.

(0.75mm to 3.5mm)

Graded Sand

High quality silica sand with grades from 75 microns up to 1.18mm. It can be used in different type of mortar.

Our Clientele

Why Us?

Owing to the superior quality of the product range offered, we have carved a firm foothold in the domain. The products offered by us are in compliance with industrial standards and are offered at most affordable prices. The professionals appointed by us invest their long working hours in manufacturing products as per clients specifications and details to meet their exact requirements.

★ Timely delivery

★ Quality-proven range

★ Wide distribution network

★ Vast industrial experience

★ Customization options
