About Us

Gavyadhar Organic Private Limited was founded many years back to promote the use of organic and fresh food among masses. The aim to make chemical-free and hygienically processed food products available for all became the foremost reason for the successful establishment of the company. Today, we are trusted as a quality committed manufacturer that brings forth a vast collection of organic food products such as Pure Flour, Whole Millet, Multi-Grain Daliya, Brown Sugar, CTC Tea, Edible Salt, Cold Pressed Oil and Spices Powder under the same roof. Our initiative of introducing organic based food products among masses is a hope to support farmers, who struggle to invest in high cost, chemical based insecticides and fertilizers.

Gavyadhar Organic Private Limited is a Gandhinagar, Gujarat (India) based company that offers premium quality, organic and wholesome Spices Powder, Cold Pressed Oil, Edible Salt, Dry Fruits, CTC Tea, etc. Our offerings are good for health because they are not added with chemicals or preservatives. In all our food items, we promise for freshness and good taste because they are responsibly processed and packed. We introduce aforementioned organic food items in different pack sizes to delight end consumers. Over seven years of our industrial presence and today we are supplying our collection of health benefitting food items on PAN India level.
