About Us

Established in 2014, Gavyadhar Organic Pvt. Ltd. is a leading organic food processing company based in Gujarat. Under our brand a Go Earth Organica , we sell more than 150 certified organic food products including various types of Organic Grains, Organic Pulses, Organic Flours, Organic Spices, Organic Dry Fruits, Organic Sugars (including Jaggery), Organic Tea, Organic Snacks, Organic Cold-pressed Oils, and Healthy Seeds etc.

Our products and operations have been certified organic as per the Indian, European, American organic standards (Jaivik Bharat, USDA and EU organic). We Certified Organic Trader and Processor accredited by control Union...

Gavyadhar Organic Private Limited was founded many years back to promote the use of organic and fresh food among masses. The aim to make chemical-free and hygienically processed food products available for all became the foremost reason for the successful establishment of the company. Today, we are trusted as a quality committed manufacturer that brings forth a vast collection of organic food products such as Pure Flour, Whole Millet, Multi-Grain Daliya, Brown Sugar, CTC Tea, Edible Salt, Cold Pressed Oil and Spices Powder under the same roof. Our initiative of introducing organic based food products among masses is a hope to support farmers, who struggle to invest in high cost, chemical based insecticides and fertilizers.
